

Calling All Class of 2014 Seniors!

Every senior at Salem College has the opportunity to leave a lasting mark on Salem's beautiful campus.

Help the Class of 2014 continue this tradition by providing the date stone for the new Student Center!

You can do your part by purchasing an exclusive Anno 1785/2014 Medallion and/or making a donation to the senior class giving program. Proceeds from the Medallion will be donated in your name to the Annual Fund, senior gift, and the Single Sisters Maintenance Fund. Our goal is 50% participation, so remember: no gift is insignificant! Participation alone helps the school in corporate fundraising, foundation grants, and national rankings. **Help preserve and strengthen Salem with your donation to the Senior Class Gift and Annual Fund today!**

Student Center Date Stone
