2012-2013

Greetings Salem Academy Students and Families!

The Center of Musical Excellence at Salem College is pleased to offer lessons, classes, and workshops to students enrolled at Salem Academy. Our program has something for everyone—the absolute beginner through high-level artistic training. Salem Academy students often pursue music to enrich their lives or work toward a dream career in the music field. The Center of Musical Excellence at Salem College is a unique place where extraordinary teachers and students meet to share in the joy of making music.

As registered students in The Center for Musical Excellence at Salem College, Salem Academy students may participate in recitals, performance classes, piano ensembles, master classes, listening parties, and other events we offer. You and your daughters will hear about these events through their teachers and our website (www.salem.edu/cmesc).

Students may practice in the Elberson Fine Arts Center, in one of the many practice rooms (many with baby grand pianos). There is also a music technology studio they can use to learn more about music and work on creative projects (composing, recording, editing, and producing music).

Salem Academy students receive at least one evaluation each year, but parents/guardians are always invited to call me directly to check on their progress.

If you are interested in private lessons, please fill out the attached registration form and return it.

Additional offerings may include:

Group lessons in Keyboard, Voice, Guitar, and Ukulele
Stage Presence Workshops for Instrumentalists and/or Vocalists
Chamber Music Ensembles
Technology Classes or Workshops

Please contact me at thomas.swenson@salem.edu if you are interested in any of these courses/workshops, as the schedule is not available at the time of this printing.

We would also be pleased to arrange special classes just for Salem Academy students. If your daughter has a few friends who are all interested in a particular instrument or ensemble, I would love to work to arrange this.

Thank you,

Salem Academy Registration Form

Fall and Spring 2012-2013

Payment must accompany this registration form

Name of Student: _____

Name of Parent/Guardian: _____
