

**STOP! Before you take these forms and fill them out:**

- You must be a full-time student in good academic standing to be eligible to apply for cross-registration at Wake Forest University.
- Is the course you want to take at WFU one that is not offered at Salem? Cross-registration policy states that requests must be for courses not available at Salem College.
- Have you checked the WFU catalog to determine if you have satisfied any prerequisites for the course you wish to take?
- If this is for a spring term course, have you arranged your Jan Term so that you will be available on campus or at least in town during January (since Wake courses start during our Jan Term and you cannot start late over there) in order to be able to attend the WFU class?

If the answer to **any** of these questions is **NO**, then do not fill out these forms! See the Dean of Undergraduate Studies if you have any questions.
