

March 2018

Dear Class of **1953**:

Believe it or not, it will be time to return to Salem in just a few short months to celebrate your **65th Reunion!** Salem has been busy planning your reunion and cannot wait to see you on Salem's campus April 27-29, 2018. Enclosed you will find a schedule of Reunion Weekend activities, a registration form, and other helpful information. We're going to start things off on Friday night with the Reunion Weekend Kick-off Party in Bryant Hall. The band, *The Black and Blue Experience*, will be playing and there will be all the great Salem food you love! At the luncheon on Saturday, you will hear the latest information from the Alumnae Association and will take pride in presenting your class gift. You will also be able to congratulate your Salem Sisters who are receiving alumnae awards. Don't miss this special luncheon! Reserve your spot no later than April 6, 2017 in order to guarantee your spot at the table with your classmates.

On Saturday night you will be the honored dinner guest of Salem College. Bring a guest if you'd like. You will receive a formal invitation and reply card sent separately. Please return the reply card as soon as you receive the invitation.

If you haven't done so already, please remember to include a gift or pledge for the Salem College Fund with your registration form. Since it is your reunion year, please try to give as large a gift as you're comfortable with, but the amount of each individual gift is not as important as your participation! A gift of any amount will help Salem and increase your class giving participation percentage. To give online, visit purpose.salem.edu/give. Please be generous this year in honor of Salem and your reunion. Remember: five-year pledges count toward your total class gift presented at the Reunion Weekend luncheon so consider making a multi-year commitment. In addition, if you make a gift of \$1,200 or more this fiscal year, you will be invited to the special Society Donor Breakfast at the President's house.

Now is the time to get on the phone, and to fire up your email account! Contact all of your Salem friends and encourage them to make a special effort to attend reunion from April 27-29. Remind them that you only have a reunion every five years! We hope you are excited to see Salem's amazing campus and all of your classmates.

See you in April,
