Dear Student:

All Fleer Center students admitted are required to submit, as part of the application process, the appropriate documentation of the immunization requirements that apply, according to the student's age. The Guidelines for Completing the Immunization Record can be obtained online at [www.salem.edu](http://www.salem.edu) visit the Fleer Center page and download the Fleer Center Immunization Letter and Guidelines, and it will be available in the Fleer Center office and in the Health Center. The completed record must be received and approved by the Director of Health Services BEFORE the student will be allowed to register for classes. Records not received after 30 days from the first day of class will result in the student being removed from class. The Health and Counseling Center is located in the basement of Clewell Residence Hall. Staff is available to accept immunization records and to answer questions August-May, Monday through Friday from 8:30 a.m. to 12:00 noon and from 1:00 pm to 4:00 pm. Records may also be faxed to 336-723-7836. The phone number is 721-2713.

If you do not have a copy of your immunization record, contact your previous high school or college, your personal physician, a hospital emergency room where you may have received a tetanus booster, military records, local health department, and your parents.

If, after checking all possible resources, you determine that you will need to get immunizations, go to your County Health Department and tell them you need the immunizations to satisfy a COLLEGE immunization REQUIREMENT. It is very helpful if you take the Guidelines for Completing Immunization Record form along with any records that you have located. The immunizations are FREE if you are starting college in NC for the first time. Forsyth County Health Department has Immunization clinics with no appointment necessary. You can call 703-3100 regarding clinic days and times. Immunizations can also be obtained through Passport Health Triad at 2805 Lyndhurst Ave., Winston-Salem: 768-0717, or a CVS Minute Clinic for a fee.
