Sincerely,

Sandra J. Doran

Learning Grounded in the Pursuit of Excellence
Instilling commitment to scholarly inquiry
Educating the whole person
Transforming knowledge into action

Learning Grounded in Community
Recognizing individual potential
Embracing diversity
Exemplifying honor

Learning Grounded in Responsibility to Self and the World
Developing personal accountability
Cultivating leadership
Preparing global citizens
Salem Academy and College is the oldest educational institution for girls and women in the United States. Its traditions of rigorous education for women and responsibility to the community found their roots in the convictions of our eighteenth-century Moravian forebears, who believed that girls and women were entitled to the same education as boys and men. The school was founded in 1772—four years before the Declaration of Independence was signed. Responding to an invitation from the community leaders, sixteen women and girls traveled 500 miles, mostly on foot, from Bethlehem, Pennsylvania, to what we now know as Winston-Salem in order to join the new village of Salem. Among those intrepid women was Sister Elisabeth Oesterlein, who was later appointed Salem’s first teacher.

In its early years, the girls’ school at Salem was led by the unmarried women of the Moravian community, who were known as Single Sisters. The Single Sisters lived together and were economically self-sufficient, a rarity for women in the eighteenth century.

In the early history of Salem, students of diverse backgrounds were accepted as members of the school community. Moravian records show that at least two enslaved African-American students were accepted at Salem in the 1780s and the 1790s. Hanna, an enslaved ten-year-old belonging to Adam Schumacher, received permission to attend the school in 1785. Anna Maria Samuel, who was an enslaved girl from Bethabara and had been baptized as a Moravian at her birth in 1781, took classes and lived in the Single Sisters’ House from 1793 until 1795.

In 1826, Salem welcomed its first Native American student, Sally Ridge, who was the daughter of Cherokee leader Major Ridge. Jane Ross, the daughter of another Cherokee chief, was also a student at Salem, but she left the school to join her family on the Trail of Tears in 1838.

During the 1860s, college-level courses were added to the curriculum. Reflecting changes in its character and mission, the institution’s name was officially changed in 1907 to Salem Academy and College. Less than thirty years later, a new and wholly separate set of facilities for the Academy was built on the eastern perimeter of the campus, and the existing buildings on Salem Square became the College.

The inspiring mission of the Single Sisters has continued for nearly 250 years and is evident in the dedication of our faculty, the enthusiasm and commitment of our students, and the academic and professional success of our alumnae. Across America and around the world, Salem’s more than 15,000 alumnae are serving as teachers, physicians, researchers, artists, musicians, inventors, community volunteers, and business executives.

At Salem Academy and at Salem College, we are educating the next generation of leaders in all of these fields. And the extraordinary education that Salem provides continues to be grounded in the Moravian tradition of love and respect for all.
MOVARIAN BLESSING

Come Lord Jesus, our Guest to be,
And bless these gifts bestowed by Thee.
Bless our loved ones everywhere
And keep them in Thy loving care.

SEAL

The Salem seal first appeared in the College yearbook in 1907. Designed and drawn by Dorothy Doe, C’1907, it was adopted by the Class of 1907 for their class pin and eventually evolved into the College seal. The Moravian Bishop at that time, Edward Rondthaler, interpreted the three Greek letters, Gamma, Kappa, and Delta, to mean knowledge and virtue. The scroll symbolizes learning; the wreath, victory; and the section above the scroll and wreath represents Pilot Mountain (a mountain near Winston-Salem) and stands for strength. The four points of the shield symbolize the four corners of the earth from which the class had come.

ALMA MATER

Strong are thy walls, oh Salem,
Thy virgin trees stand tall,
And far athwart the sunlit hills,
Their stately shadows fall. Chorus

CHORUS:
Then sing we of Salem ever,
As proudly her name we bear,
Long may our praise re-echo.
Far may our song ring clear
Long may our praise re-echo
Far may our song ring clear.
Firm is thy faith, oh Salem,
Thy future service sure,
The beauty of thy heritage,
Forever shall endure. Chorus
True is our love, oh Salem,
Thy name we proudly own,
Thy joy of comradeship is here
Thy spirit makes us one. Chorus

SCHOOL COLORS

Blue and Yellow
In recent years, Salem students have claimed the Greek letters Gamma, Kappa, and Delta from the seal to represent Salem sisterhood. Students have adopted the practice of wearing these Greek letters on hats and clothing, similar to social sororities on other campuses, to represent the everlasting bond of Salem sisterhood.

EMERGENCY INFORMATION

Major Incident Response Plan
Salem College maintains a Major Incident Response Plan, which is activated when
emergency situations escalate to a point that demands the coordinated efforts of numerous
institutional departments and/or officials. This plan addresses major incidents that may
endanger human health and safety, property, or the ability of the campus to function, and
activates the response team, which elevates and responds to crisis situations until it is
restored to a state of normalcy.

Emergency Notification Systems
Salem has established mass notification systems to inform the community of emergency
situations. One or more of these systems may be utilized to alert the community in the
event of a significant crisis or emergency.

Outside Emergency Alert System
Salem has an outdoor alert system that uses a siren and prerecorded messages to warn the
Salem campus of emergencies ranging from a tornado to a chemical hazard. The messages
are prerecorded and are intended to alert faculty, staff, students, and others in the event of a
campus emergency. Speakers are located on the roof of the Elberson Fine Arts Center and at
the physical plant office. The system is tested at the beginning of each semester.

Telephone Messaging System
Each campus telephone line and each subscribed cell number may receive an emergency
alert. Calls may be answered live, or a voice message is left on unanswered lines. Members
of the Salem community are encouraged to subscribe to this feature. To enroll, contact
Public Safety, or click on the link provided through email in August and February.

Text Messaging System
Text messages may be sent in conjunction with the telephone messaging system. Members
of the Salem community are encouraged to subscribe to this feature. To enroll, contact
Public Safety, or click on the link provided through email in August and February.

Salem also will utilize the website homepage and email system to inform and update the
community about other important information.
EVACUATION ASSEMBLY AREAS

If a building or cluster of buildings requires evacuation, building occupants should evacuate to an assembly area, which is away from the building and away from emergency service vehicles. Locations include Hanes Auditorium at the Elberson Fine Arts Center, Corrin Refectory, Bryant Hall/Gym area, Salem Square, May Dell, or the Salem Academy Auditorium.

Campus-wide Evacuation

In the event that the entire campus must be evacuated, everyone should relocate to either the God’s Acre cemetery near the Elberson Fine Arts Center or to the athletic field near Pit parking.

THE HONOR TRADITION

I. THE HONOR TRADITION

The Honor Tradition is a vital and unifying aspect of the Salem College community that encourages each student to make a commitment to learning grounded in the pursuit of excellence, in community and in responsibility to self and the world. By accepting a place in our community of scholars, each student assumes full responsibility for her actions in all phases of her life at Salem. The Honor Tradition encompasses responsibility for maintaining academic integrity, as well as the expectation that students abide by North Carolina law, uphold College policies, and treat all members of the community with civility and respect.

The Honor Tradition is longstanding at Salem College and is highly regarded by students, faculty, staff, and the administration. Perpetuating such a tradition is made possible in the community because each individual student is expected to be personally accountable for the impact of her actions on herself and other members of the community.

Every student is responsible for encouraging other students to uphold the Honor Tradition. The Honor Tradition is only as strong as the commitment of the individuals in the community that lives by it.

II. THE HONOR CODE Salem College is a community of honor. I will show respect for my community by behaving with honesty, integrity, and civility.

As a responsibility to my honor community:

A. I will show respect for my classmates and faculty by maintaining honesty in my academic work and refraining from cheating.

B. I will show respect for my community and peers by maintaining integrity and honesty in my daily life and refraining from stealing and lying.

C. I will show respect for faculty, staff, my peers, classmates, and members of the
administration by maintaining civility and refraining from disruptive and abusive language and behavior.

I acknowledge that I will be held accountable for my decisions and behavior, and I will accept the consequences of my actions. In choosing Salem College, I pledge to uphold the principles of the Honor Code and will cherish and guard its traditions.

III. PRIVILEGES OF THE HONOR CODE

By virtue of the strength of the Honor Tradition, students are extended the following privileges:

A. Self-scheduled exams.

B. Unproctored and take-home tests (based on the discretion of the professor).

C. Faculty, administration, staff, and students’ trust and respect.

D. An environment and culture of respect and integrity.

IV. HONOR CODE VIOLATIONS DURING SELF-SCHEDULED FINAL EXAMS

A. If a student witnesses cheating during self-scheduled exams, she should report the violation to one of the co-chairs in accordance with the Honor Code.

B. If the exam co-chairs or faculty proctors reasonably believe that a student is cheating during the exam period, they will write a report documenting their allegation but allow the student to finish the exam.

C. If the faculty proctors directly witness cheating on an exam, they may remove the student from the exam room and confiscate the exam. The faculty proctor will document the incident and report it to the Honor Code chair, who will notify the student’s professor.

D. If the exam co-chairs note cell phone usage or electronic or verbal communication during exams, they may proceed as if the student is directly cheating. Students are expected to sit as far apart as possible during exams. Having a cell phone or talking during exams is prohibited and will be considered a violation of the Honor Code.

Faculty proctors and exam co-chairs may use reasonable judgment to determine if the student should be allowed to finish the exam under the aforementioned circumstances.

V. VIOLATIONS AT ANOTHER INSTITUTION

In the case of a violation of the Honor Code by a student who is cross-registered at either Salem College or Wake Forest University, the home campus where the student is enrolled will handle the case through its own judicial process.

VI. THE HONOR COUNCIL

The Honor Council acts as a neutral hearing body that is supportive of the student. The Council does not judge the accused student as a person, but rather judges the student’s
actions as they relate to the preservation of honesty, integrity, and civility within the honor community.

The Honor Council is composed of the chair and the secretary (both elected by the student body), one representative from each class, one representative from the Off Campus Association, one representative from the Fleer Center program, the president of the Student Government Association, and the chair of the Judicial Council. A non-voting faculty representative from the Faculty Advisory Board must be present at all Honor Council hearings. The dean of students or her designee from the student affairs staff serves in an advisory capacity to the Honor Council and must be present at all Honor Council hearings.

Honor Council will investigate and act upon alleged Honor Code infractions. The Honor Council also will handle cases related to test and examination procedures, unauthorized use, removal, and/or failure to return library materials, and election contestations.

The Honor Council has the right to turn over any case to the dean of students.

VII. PROCEDURES FOR REPORTING HONOR CODE INFRACTIONS:

A. Self-reported infractions

Acknowledging an Honor Code violation is the first step in reconciling one’s responsibility to the honor community. A student who wishes to acknowledge her violation should report the violation to the Honor Council by way of the chair of the Council.

B. Infractions reported by a student

A student who witnesses a violation of the Honor Code by another student is expected to confront the student and reveal the nature of the infraction observed to the student before she contacts the Honor Council chair. She also should encourage the accused student to contact the Honor Council chair to report her violation.

C. Infractions reported by a faculty or staff member

All faculty members are to report suspected violations of the Honor Code to the Honor Council chair. Faculty members have the option of completing a “Faculty Adjudication Form” to document adjudication of an Honor Code violation in a student’s judicial file for allegations of first-time violations. Faculty members should confer with the dean of students directly to determine whether the allegation is for a first-time offense or repeat violation. If the allegation is for a repeat violation, it would be officially referred to the Honor Council to begin the formal hearing process. The faculty member should contact the chair after explaining the nature of the alleged infraction to the student.

VIII. SOCIAL RESPONSIBILITY AND RESIDENCE LIFE POLICY INFRACTIONS

The administration of the College reserves the right to investigate and take action in any alleged violation of social or residence life policy. The dean of students and assistant dean of students, in conjunction with the Judicial Council and Residential Coordinators (RCs), handle infractions of the social responsibility and residence life policies as part of Salem’s
Honor Tradition, which calls students to be responsible to themselves and others.

All reports of alleged social responsibility or residence life policy violations will be documented and given to the assistant dean of students. Based on the nature of the offense and the specifics of the situation, the criteria presented below will be used to determine if a hearing is warranted, whether the Judicial Council will hear the case, or whether the matter will be handled administratively.

Cases may be heard by either of the following judicial bodies:

Judicial Council: The Judicial Council is made up of the chair (elected by the student body), secretary (elected by the student body), Honor Council chair, SGA president, off-campus representative, and a representative of each class. The assistant dean of students or designee from the student affairs staff must be present in an advisory capacity at all Judicial Council hearings. The Judicial Council will hear cases such as alleged violations of the following social responsibility and residence life policies: event/party policy, fire safety, and major visitation violations. The Judicial Council has the right to turn over any case to the dean of students.

College Administration: The Residential Coordinators (RCs) will handle first-time and minor alleged violations of the Residence Life policy, such as alcohol, visitation and quiet hours infractions. The administration (student affairs deans for traditional students; Fleer Center deans for Fleer students) will hear cases of the most serious nature, including alleged violations of the following policies: weapons, drugs, hazing, harassment, and other cases of an urgent nature, such as when there is immediate danger to one or more students. Student affairs deans will handle cases related to allegations of sexual misconduct.

IX. RIGHTS OF AN ACCUSED STUDENT A student accused of an Honor Code violation has the following rights:

A. To be notified in writing of any accusation made against her.
B. To have a hearing.
C. To have an advisor who is either a Salem College full-time faculty member or member of the administration. The role of the advisor is to provide advice to the student throughout the judicial process. The advisor may only counsel the student, not speak with the Council or the accuser(s) or witness(es) during a judicial hearing.
D. To appeal the decision of the hearing body.
E. Fleer students: To have a Fleer student representative sit on the Honor Council or Judicial Council when a case concerns a

Fleer student as the accused.

*See the Sexual Misconduct Policy for information on the rights of students accused of sexual misconduct.
X. PRELIMINARY HEARING FOR HONOR COUNCIL AND JUDICIAL COUNCIL CASES

*Note: No cell phones or recording devices are allowed in a preliminary hearing or full Honor Council, Judicial Council, or administrative hearing.*

The chair will notify the accused student in writing of any accusations made against her, as well as her rights as an accused student. The written notification also will include the time, date, and location of the preliminary hearing. The purpose of the preliminary hearing is for the chair and secretary to allow the accused to respond to the charges made against her and to determine whether the evidence warrants a full hearing by the Council. The accuser may be present at the preliminary hearing or may provide information in writing regarding the accusations. If the accused student denies the accusations made against her, but the chair and secretary determine that substantial evidence exists that these accusations are just, the Council will hear the case as soon as possible.

The chair and secretary of the Council will make every effort to hold a preliminary hearing within one week of the reporting of an infraction. If a student fails to appear at the preliminary hearing without a valid excuse, the chair and secretary will determine in their absence whether available evidence warrants a full hearing with the Council.

If the accused student accepts responsibility for the charges, the chair and secretary will call a meeting of the Council as soon as possible to determine the appropriate sanctions for the violations.

Any member of a judicial body who has a role or personal interest in a case must recuse herself from the proceedings related to that case.

XI. HEARING PROCEDURE FOR HONOR COUNCIL AND JUDICIAL COUNCIL HEARINGS

If a student fails to appear before the Council without a valid excuse, the Council will hear the evidence presented in her absence and make a decision based on available evidence.

1. The accuser (if one is present), accused, and the accused’s advisor (if there is one) enter the room. All parties involved in the hearing are introduced to each other, the charge(s) are read, and the hearing begins.

2. The accused gives her account of the case, followed by questions from the Council.

3. The accuser gives her account of the case, followed by questions from the Council. If the accuser is not present, the chair will read the accuser’s written statement and the Salem College staff incident report(s).

4. The accused may then question the accuser(s), if present. The Council may interrupt with questions.

5. Once the accused is finished, the accuser(s), if present, may question the accused.

6. If there are witnesses for the accused, they will come in individually to give their
testimony and answer questions from
the Council, the accused, and the accuser. Witnesses may submit signed testimonies if they
are unable to be present.

7. Once all the witnesses for the accused have testified individually, the witness(es) against
the accused will testify
following the procedure stated above.

8. The accuser, accused, and advisor are excused from the hearing. The accused student and
adviser will have the option to wait while the Council deliberates the case to learn about the
decision of the Council. The Council, taking all statements and evidence into consideration,
will deliberate and determine responsibility and then determine appropriate sanctions, if they
deeem any necessary.

9. The Council will then invite the accused and advisor back into the room for the
announcement of its decision on the case, any sanctions that it will recommend to the Faculty
Advisory Board for further consideration, and to explain the rationale for its findings.

10. If the Council does not find the student responsible or gives the student the sanction of
a warning, the student will receive notification of the Council’s decision within three
business days of the hearing.

11. If the Council finds the student responsible and recommends a sanction of probation or
higher, the Faculty Advisory Board will convene at the earliest time possible to review the
decision. The student will receive written notification of her sanction as soon as possible
following the Faculty Advisory Board’s review of the case.

12. The dean of students office will inform appropriate offices of any sanctions issued to an
undergraduate student on a need-to-know basis.

13. In Honor Council cases brought by the faculty, the faculty member will be notified of
the decision and recommendation for sanctions.

XII. HEARING PROCEDURE FOR ADMINISTRATIVE HEARINGS

If a student fails to appear for her administrative hearing without a valid excuse, the student
affairs administrator(s) or Fleer Center administrators will hear the evidence presented in
her absence and make a decision based on available evidence.

1. The accused and the accused’s advisor (if there is one) enter the room. All parties
involved in the hearing are introduced to each other, and the hearing begins.

2. The administrator(s) will read the Salem College staff incident report(s) and present any
additional available testimony or evidence to the accused.

3. The accused then gives her account of the case, followed by any questions from the
administrators.

4. If there are witnesses for the accused, they will come in individually to give their
statement and answer questions from the administrator(s) and the accused. Witnesses may submit signed testimonies if they are unable to be present.

5. Once all the witnesses for the accused have testified, the witness(es) against the accused will testify individually and answer any questions by the administrator(s), the accused, and the accuser. Witnesses may submit signed testimonies if they are unable to be present. All witnesses are excused from the hearing at this time.

6. The accused and advisor are excused from the hearing. The administrator(s), taking all statements and evidence into consideration, will deliberate and determine responsibility and then determine appropriate sanctions if deemed necessary.

7. The accused will receive written notification of the outcome within three business days of the hearing.

8. The dean of students office or Fleer Center office will inform appropriate offices and/or faculty members of any sanctions issued to an undergraduate student on a need-to-know basis.

XIII. SANCTIONS FOR HONOR CODE INFRACTIONS

The College deems serious any violation of the Honor Code. The role of the Honor Council in hearing cases and determining sanctions is intended to be educational in nature, not punitive. The Council may encourage students to seek additional support through academic support services on campus. The terms of the sanction will be determined by the Council in accordance with precedent set by previous cases and the seriousness of the violation.

Regardless of the decision of the Honor Council, assignment of a grade for academic work in question is left completely to the discretion of the faculty member.

The Council may recommend one of the following sanctions:

**Warning:** This sanction is given when a student is responsible for a violation that does not warrant severe action. When a student acknowledges responsibility or is found responsible by the Council, a warning is put on the student’s judicial record in the dean of students office until graduation. The Council advises the student to learn from this experience as she reflects on the importance of her behavior and its impact on the Salem College community.

**Probation:** This sanction is given when a student is responsible for a violation that is of a serious nature. It is stressed to a student that this is a time for reflection and contemplation about what she has done and what it means to live and abide by the Honor Tradition. Probation may entail a loss of social privileges for the length of probation and/or educational assignments and a punishment to fit the violation based on the decision of the Council. Loss of social privileges will include all College-sponsored social events, such as events sponsored by SGA and CAB, and visitation privileges.

Probation may entail revocation of the privilege to take self-scheduled exams. Students
who lose this privilege must contact the dean of students to make arrangements to have their exams proctored by an administrative office.

When a student is a repeat violator of the Honor Tradition, this sanction may be given to insure that the student understands the importance of the Honor Tradition and the vital role it plays in Salem’s community. If a student is found responsible for a violation by the Honor Council or Judicial Council while on probation, this additional offense may result in a more severe sanction. The sanction of probation remains on a student’s judicial record in the dean of students’ office until graduation.

**Suspension-Held-in-Abeyance:** This sanction is given when a student is found responsible for a violation of a very serious nature but who, in the Council’s judgment, should be allowed to continue her coursework at Salem. A sanction of Suspension-Held-in-Abeyance may entail a loss of social privileges for the length of the sanction, as well as appropriate educational assignments and/or a punishment to fit the violation based on the decision of the Council. Loss of social privileges will include all College-sponsored social events, such as events sponsored by SGA and CAB, and visitation privileges. A student who is on Suspension-Held-in-Abeyance may lose the privilege of membership in campus clubs or organizations, holding a campus leadership position, or participating in intercollegiate athletics. A student who is on suspension-held-in-abeyance may lose the privilege to take self-scheduled exams and must contact the dean of students to make arrangements to have their exams proctored in an administrative office.

If the student is found responsible for any other violation by the Honor Council or Judicial Council while on Suspension-Held-in-Abeyance, this violation may activate a sanction of suspension or expulsion, and the student will be required to leave campus within twenty-four hours unless she appeals the decision (see “Suspension”). Suspension-Held-in-Abeyance stays on a student’s judicial record in the dean of students’ office until the student graduates.

**Suspension:** This sanction is given when the student is found responsible for a violation of an extremely serious nature or repeat violation of the Honor Code. The student must leave campus within twenty-four hours unless she decides to appeal the decision. A student who chooses to appeal should continue attending classes during the appeal process. Continued class attendance, however, shall have no effect upon the outcome of the appeal. Once the sanction has been served, the student is free to return to Salem. If a student chooses to take classes while serving this sanction, no credits will be transferable back to Salem. Suspension remains on the student’s judicial record in the dean of students’ office for two years after graduation.

**Expulsion:** This sanction is given when a student is found responsible for a violation that is of the most severe nature. This sanction is given when the Council feels that the student grossly neglected the importance of the Honor Tradition. This may include such violations as being a repeat violator of the Honor Tradition. The student must leave campus within twenty-four hours unless she appeals the decision. A student who chooses to appeal should
continue attending classes during the appeal process. Continued class attendance, however, shall have no effect upon the outcome of the appeal. A student who receives the sanction of expulsion may not return to Salem’s campus for any reason, including alumnae events. The sanction remains on the student’s judicial record in the dean of students office.

XIV. SANCTIONS FOR COLLEGE POLICY AND STUDENT CONDUCT INFRACTIONS

The College deems serious any violations of College policy, social responsibility, and residence life policies. When a violation has been committed, the assigned sanction(s) is intended to be educational in nature, not punitive. Failure of a student to fulfill her sanction by the date specified will result in an automatic reappearance before a judicial body.

One or more of the following sanctions may be deemed appropriate, depending on the nature and severity of the violation, and whether the student is a repeat violator of community standards:

Fines: Usually associated with violations of policies such as parking, pets, and official residence hall closing times.

Restitution: Payment assessed for damages to property or related to special cleaning or other services.

Relocation of residence: The student may be sanctioned to relocate from her current residence hall room to another room on campus or to live with a parent or guardian. This sanction is given primarily in cases that involve disrespect for the community in which the student resides. Relocation arrangements will be made specifically with the assistant dean of students.

Loss of Social Privileges: The purpose of this sanction is to provide the student with time for reflection on the responsibility related to enjoying the privilege of attending social events and having visitors in the future prior to this privilege being restored. For a designated period of time, the student may not attend any College-sponsored social events, such as events sponsored by SGA or CAB. The student loses all visitation privileges. Specific questions about which events are prohibited will be addressed by the assistant dean of students in conjunction with the Judicial Council chair.

Loss of Visitation: For a designated period of time, the student may not have any guests on Salem College property or at Salem-sponsored off-campus events.

Community Service: A set number of hours of service to the community, either assisting grounds, housekeeping, Public Safety, dining services, or another office on campus may be assigned by the Council. The student must call the physical plant or other office as appropriate to speak with the supervisor in charge of that area. Upon completion of the service commitment, the student must have the supervisor sign the Verification of Community Service form and the student must return the signed form to the Judicial Council secretary by the due date. If the chair is not notified and/or the service not completed by the
specified deadline, the student will receive further disciplinary action. Documentation will be put in the student’s judicial file acknowledging fulfillment of her sanction.

**Mediation:** Intervention designated by the assistant dean of students for the purpose of bringing parties together to discuss and resolve issues of disagreement.

Substance Abuse Assessment: The Council may refer the student to the dean of students office for arranging a substance abuse assessment by a health professional, either on campus or in the local community.

**Educational Sanctions:** A student may be required to complete workshops or attend programs on campus or in the local community on topics related to the violation, such as alcohol awareness. Students may be required to write a reflection paper, make a presentation, or complete a special project intended for learning from their behavior.

Warning: (See section XIII.)

Probation: (See section XIII.)

**Suspension-Held-in-Abeyance:** (See section XIII.)

Suspension: (See section XIII.)

Expulsion: (See section XIII.)

XV. FACULTY ADVISORY BOARD

The Faculty Advisory Board (FAB) works at the request of the dean of students in an advisory capacity with the Legislative Board, Judicial Council, Honor Council, and the Executive Board of the Student Government Association as they create and maintain campus standards. A member of FAB must attend all Honor Council hearings and serve in an advisory capacity. The Board automatically convenes in the event that the Honor Council or Judicial Council issues a student a sanction of probation or higher. When cases arise related to other student government issues, FAB shall meet at the request of the dean of students.

The procedure for a FAB review of judicial decisions is as follows: The Council chair and secretary will present the specifics of the case to FAB. FAB may request to meet with the accused or the accused may request to meet with FAB. If FAB does not concur with the sanction recommended by the Council, the chair of the Council will inform the Council and take another vote of the Council. If the Council and FAB cannot reach a mutual decision, the two bodies (FAB and the Council) must work jointly to reach consensus with respect to the sanction.

XVI. APPEAL PROCESS FOR JUDICIAL CASES An accused student who believes that the Honor Council or Judicial Council violated her rights, did not follow proper procedure, or that the decision (handling and/or sanction) reached was not based on evidence or reason shall have the right to appeal to the Appeal Board within twenty-four hours of receiving written notification of the sanction.
PROCEDURES FOR APPEALING AN ADMINISTRATIVE DECISION: An accused student who believes that a case handled by an administrator has violated her rights, did not follow proper procedure, or that the decision (handling and/or sanction) reached was not based on evidence or reason shall have the right to appeal. Students wishing to appeal a decision determined by a Residential Coordinator must do so by contacting the assistant dean of students in writing within twenty-four hours of receiving written notification of her sanction. Students wishing to appeal all other administrative cases must do so in writing within twenty-four hours of receiving written notification, first to the dean of students, then to the vice president for academic and student affairs and dean of the College, and then to the president of the College.

PROCEDURES FOR APPEALING A JUDICIAL COUNCIL OR HONOR COUNCIL DECISION:

Filing an Appeal: The accused student must inform the chair of the Appeal Board (dean of the College) in writing concerning the basis on which the appeal is being made and the reasons why she deems her case worthy of hearing by the Appeal Board. The student must file this formal written appeal within twenty-four hours after the student receives written notification of the decision of the Honor Council or Judicial Council.

Convening the Appeal Board: The chair of the Appeal Board will notify the Honor Council chair or Judicial Council chair regarding the basis for the appeal and will convene the Board. A formal review date will be set by the Board so that the complete process will not exceed seven business days while the College is in session (from the time the chair receives the written appeal to the time of the hearing). When possible, a decision must be rendered no less than three days before Commencement. Guidelines for a review by the Appeal Board are as follows:

1. The Appeal Board will meet to consider the basis for the appeal. If the Board decides the appeal has no merit, the decision of the Honor Council or Judicial Council stands.

2. The chair will explain the Board procedure to the student who is appealing the decision of the Council.

3. During the appeal review, the Honor Council, Judicial Council, and Faculty Advisory Board representatives will be invited to present the rationale for their decision(s) and sanction recommendations. The Appeal Board may pose questions to the representatives. After the representatives have responded to the Board’s questions, they are dismissed.

4. The student who has submitted the appeal is then asked to come in and present the rationale for her appeal. The Board may ask her questions regarding the grounds for the appeal. The student may be accompanied by an advisor as specified under Section IX, part C. Once the student has responded to the Board’s questions, she is dismissed.

5. The Appeal Board will deliberate and render a decision in writing. If issues related to the appeal are sufficiently problematic, the Appeal Board reserves the right to reopen the
The chair of the Appeal Board will notify all parties involved (including Honor Council, Judicial Council, and FAB) of the decision that was reached. In Honor Council cases brought by the faculty, the faculty member will be notified of the sanction.

Decision of the Appeal Board: Should the Appeal Board uphold the original sanction, the sanction becomes effective as soon as the student receives written notification of the decision. Should the Appeal Board render a different sanction, the student will be notified in writing of the sanction and its stipulations. The Appeal Board cannot render a more severe sanction than that of the Honor Council or Judicial Council.

Appeal to the president: If the student believes that she was not treated justly by the Appeal Board, she may appeal to the president of the College. The student must appeal in writing to the president of the College within twenty-four hours after the student receives notification of the outcome of the Appeal Board hearing. A student who chooses to appeal shall continue attending classes during the appeal process. Continued class attendance, however, shall have no effect upon the outcome of the appeal.

**COLLEGE POLICIES**

It is the responsibility of each student to know the regulations and policies of the College and to regularly check her Salem email account for any official communications from the College. Failure to abide by the stated regulations and policies may result in disciplinary action by the appropriate student judicial council or the administration of the College. Sanctions may range from warnings, fines, loss of privileges, probation, suspension, and expulsion, depending on the circumstances. The regulations are operative while the College is in session.

A student is expected to comply with College policies, as with all laws and regulations of the city, state, and nation. Her right to due process in cases of infractions is recognized and accepted. It must be noted, however, that in some instances penalties may be assessed by both civil and College authorities.

The Salem College Department of Public Safety will investigate all criminal activity. State and/or local law enforcement agencies may be called in for assistance in investigations. If a student becomes the focal point of an investigation, the student should be prepared to make the necessary decisions (seeking legal advice, informing parents, etc.) concerning the incident. College officials may assist students with contacts and will make every effort to be a supportive resource; however, neither the College nor its personnel may interfere with the legal process.

Policies and regulations may be amended from time to time by the action of appropriate bodies.

**ALCOHOL USE** See Social Responsibility section.

**ASSAULT** Assault is defined as the physical abuse, injury, or the threat of harm to oneself.
or others. These acts include, but are not limited to, assault, battery, and all other forms of personal abuse. North Carolina General Statutes Chapter 14, Sections 33—35 address different forms of assault including personal, weapon use, and the act of hazing. Any type of assault is strictly prohibited.

CHALKING

Chalking is prohibited on campus property. Groups or individuals violating the chalking policy will be responsible for any charges related to special cleaning and chalk removal.

CONVOCATION ATTENDANCE

REQUIRED FOR TRADITIONAL AGE STUDENTS

Traditional students (under age 23) are required to attend three academic convocations each year: Opening Convocation, Founders Day Convocation, and Honors Convocation. Fleer students are encouraged to attend the convocation programs, if their schedules permit. To be excused from attending an academic convocation, a student must submit an excuse in writing to the SGA vice president at least two hours before the event. Excused absences for convocations would be granted for a death in the family or for illness certified by a note from a medical doctor. Work is not an excuse. Any unexcused absences will result in a $25 SGA fine.

Caps and gowns must be worn by seniors at required convocations. The president or the dean of the College will notify the senior class president if caps and gowns are to be worn on occasions other than those listed.

COOPERATION WITH COLLEGE OFFICIALS

Refusal to cooperate with the request of staff members, such as a Public Safety officer,
while performing their job is considered failure to cooperate with a College official and may result in disciplinary action.

CYBER-BULLYING AND CYBER-STALKING

Salem College prohibits cyber-bullying and cyber-stalking. A student who repeatedly follows or sends unwanted communication to another—placing a person in reasonable fear for their safety or causing a reasonable person emotional distress, humiliation, or embarrassment—is in violation of this policy. As in all College judicial matters, sanctions for infractions may range from a warning to expulsion and may include educational or restorative sanctions such as those listed as options for sanctions for College policy infractions in the Student Handbook.

DEMONSTRATIONS AND PROTESTS POLICY (Updated April 18, 2018)

A. Purpose

Salem College believes that the exchange of ideas is vital to the academic, cultural, and social life of the College. The College is also committed to operating in a manner that supports the health, safety, and welfare of all members of the College community and protects College property. The College respects the right of each community member to participate in the daily activities of the College (such as attending class, programs, and meetings) and to be free from coercion and harassment and, therefore, prohibits disruptive conduct on its premises that interrupts its proper operations. Thus, the College has adopted this Demonstrations and Protests Policy (this “Policy”).

B. Scope

This Policy applies to protests, demonstrations, sit-ins, pickets, and other activities of this kind conducted on College property by current students of the College (“Demonstration” or “Demonstrations”). “Demonstration” or “Demonstrations” shall refer to the activities of one or more persons. Demonstration members assume responsibility for the consequences of their actions. This Policy applies to current students of the College. Any person or group other than current students and employees of the College is referred to in this Policy as “Third Parties.” Third Parties may not protest, demonstrate, sit-in, picket, or engage in activities of this kind on College property for any reason. This Policy may be used in concert with the applicable policies stated in the Salem College Student Handbook.

The posting or distribution of flyers, signs, posters, banners, bulletins, easels, or other materials is governed by the Posting Policy.

C. Policy

Current students may gather on College property for the purpose of Demonstrations, provided they abide by the following requirements:

1. No Demonstration may interfere with the orderly operation of the College. For example, no Demonstration may obstruct, disrupt, or interrupt any class, approved student activity, function of College offices, or College-sponsored event.
2. No Demonstration may interfere with the free flow of vehicular, bicycle, or pedestrian traffic or otherwise block stairways, hallways, doorways, or entrances to buildings. The right of way of all streets, sidewalks, thoroughfares, and byways shall be maintained at all times.

3. No Demonstration may violate fire code regulations or safety requirements for any space or location the Demonstration occupies.

4. All Demonstrations shall take place within the location specifically designated by the Office of Public Safety. To assist the College in designating an appropriate location, the Demonstration organizer(s) must provide the Chief of Public Safety with advance written notice of the planned Demonstration as set forth below and may identify preferred location options for consideration. The Chief of Public Safety will notify the Demonstration organizer(s) of the approved location.

5. No Demonstration may harass, abuse, threaten, or intimidate any person or coerce any person to participate in the Demonstration.

6. No Demonstration may discriminate against any Demonstration participant based on race, creed, color, religion, age, sex, gender, national origin, sexual orientation, disability, or veteran status.

7. No Demonstration may use a public address system or any other form of sound amplification device. Demonstration noise level will be monitored and enforced by the Office of Public Safety.

9. Demonstrations may not take place on Reading Day or during the final exam period.

10. No Demonstration may involve overnight tenting or camping.

11. No Demonstration may involve the promotion or sale of commercial merchandise.

12. No Demonstration may involve the solicitation of any person for monetary gain or other commercial purposes.

13. No Demonstration may charge admission to participate.

14. No Demonstration may otherwise violate any College rules, policies, or procedures or any applicable laws or regulations.

D. Notice to College

Current student(s) planning to conduct a Demonstration shall register their intent to conduct a Demonstration by submitting advance written notice to the Chief of Public Safety no less than forty-eight (48) hours before such Demonstration. In order to facilitate efficient and effective communications, such notification shall include: (i) the name, cellphone number, and e-mail address of the current student(s) organizing the Demonstration; (ii) the date and time of the Demonstration; (iii) a general description of the Demonstration; and (iv) the expected number of participants. Notifications of intended Demonstrations submitted without complete information as requested in this section will be returned to the registrant(s) for completion and may be resubmitted.

Recognizing that there may be times when students wish to react quickly to rapidly changing current events, Salem College will consider reasonable requests for exceptions to the 48-
hour notice on a case by case basis. In such situations, students must provide the requested information to the Chief of Public Safety, who will work with the Dean of Students to consider and address the request.

E. Identification and Enforcement

Since Third Parties may not apply for or participate in Demonstrations on College property, any person participating in a Demonstration may be required to provide identification, either in the form of a College photo ID or governmentally issued photo ID, to the Office of Public Safety before entering College property and while participating in a Demonstration. Students participating in Demonstrations shall conduct themselves in accordance with this Policy, other applicable College policies, and all laws and regulations. This Policy shall be interpreted and enforced by the Office of Public Safety and, where applicable, local law enforcement authorities. Refusal to cooperate with requests of Public Safety Officers while performing their job is considered a failure to cooperate with a college official and may result in disciplinary action. Violations of this policy will be handled by the Student Affairs Deans (or the Fleer Center Deans for Fleer students) through the administrative hearing process set forth in the Student Handbook. As stated in the Student Handbook, sanctions may include the loss of social privileges, warnings, probation, suspension, or expulsion.

F. Responsibilities

Any student(s) who organize(s) a Demonstration shall be responsible for: (i) cleaning College property following the Demonstration; and (ii) paying for any and all damage to College property caused by Demonstration participants during the Demonstration. The responsibilities set forth herein shall not limit the individual responsibilities of each Demonstration participant.

DISRUPTIVE/DISORDERLY BEHAVIOR

Any student who interferes with the rights of others, disrupts the community, and/or damages property is subject to disciplinary action. Disorderly/disruptive behavior includes a single act of inappropriate behavior or a pattern of behavior that disregards the rights of individuals and/or the community, causes physical damage to property, or interferes with the normal functioning or safety of the community.

Any individual deemed to be disruptive or dangerous while on campus property must comply with a request by a Public Safety officer or other campus official to leave campus immediately. The individual will not be allowed to return to campus until granted permission by the chief of Public Safety.

If a student is granted permission to return to the campus, the student will be required to meet with a representative of the administration and commit to conditions of behavior specified by the administration to continue studies at the College. Where the student’s inappropriate behavior has been directed at a Salem employee, this employee will be apprised of the student’s return to campus and of those conditions of the student’s continuation that are relevant to the employee involved.
DRUGS

Cases involving illegal possession, use, or sale of drugs or drug paraphernalia, such as hookah pipes, are subject to criminal prosecution as well as being heard administratively. The abuse or misuse of prescription drugs by any student is prohibited. Abuse and misuse of prescription drugs includes taking medication in ways other than prescribed and providing or selling drugs to others. Any student involved in illegal or misused drugs on campus will be subject to a penalty up to, and including, expulsion. The administration of the College reserves the right to notify the parents of a traditional age student if she has been involved in a drug violation.

FINANCIAL RESPONSIBILITY

Students may not register for classes or receive transcripts or diplomas unless ALL fees and accounts are cleared. Such fees include, but are not limited to, library fees, parking fees, and room damage fees. Each student is financially responsible for damages to College property at any location (classrooms, residence halls, dining room, recreation rooms, etc.) on campus.

GRIEVANCE POLICIES

Salem College has policies regarding grade appeals (see Salem College Undergraduate Catalog online policy statement), sexual harassment (2019-2020 Salem College Student Handbook), judicial review of Honor Council rulings (“Appeal Process for Judicial Cases,” 2019-2020 Salem College Student Handbook), the appeal for financial aid awards (see “Satisfactory Academic Progress (SAP)” information in Salem College Undergraduate Catalog) and for the appeal of campus parking/traffic citations (2019-2020 Salem College Student Handbook).

Salem College students who have concerns in areas not covered by these policies may seek resolution through the following policy:

GENERAL GRIEVANCE POLICY

Students are encouraged to resolve concerns themselves, first by talking directly with the College personnel involved. If resolution is not reached, students may file a written grievance with the dean of students (for cocurricular issues) or with the dean of undergraduate studies (for academic issues). This process should be initiated as soon as possible, preferably within thirty days of the occurrence. The student should complete the Student Grievance Form, which is available in the Office of the Dean of Students and in the Office of the Dean of the College, and submit it to the dean of students or the dean of undergraduate studies, respectively. The dean will review the written grievance and respond to the student within fifteen business days while the College is in session. Depending upon the nature of the grievance, the dean may request that all parties involved meet to mediate the situation and find a reasonable solution.

If the resolution is not satisfactory to the student, she may refer the matter in writing to the vice president for academic and student affairs and dean of the College for further
consideration.

If you were unable to resolve a complaint through the institution's grievance procedures, please submit a complaint to:

North Carolina Department of Justice
Consumer Protection Division
9001 Mail Service Center
Raleigh, NC 27699-9001
Phone number: 1-877-566-7226
An online complaint form is available at: www.ncdoj.gov/complaint

GUESTS

Students are responsible for escorting their guest(s) at all times while on campus. Students are responsible for the conduct of their guest(s) and must insure they do not violate College policies or North Carolina law both while on campus and at off-campus Salem-sponsored events. Residential students, please see “Visitation Policy” in Residential Life Policies for more specific information.

HARASSMENT Verbal, physical, or written threats, verbal or physical abuse, intimidation, harassment, coercion, and/or other conduct that threatens or endangers the physical and/or mental health or safety of any person will not be tolerated. Harassment can include demeaning the race, gender, religion, color, creed, disability, sexual orientation, national origin, ancestry, or age of any individual or individuals. Harassment of any kind will not be tolerated and undermines the College’s commitment to education grounded in community.

Sexual harassment is addressed specifically in a separate policy. (See "College Policies: Student Sexual Misconduct Policy")

Students who wish to file a complaint of harassment or who have questions or concerns about harassment may file a written grievance with the dean of students (see “College Policies: Grievance Policies”). The administration reserves the right to handle complaints of harassment through the administrative judicial process. As in all College judicial matters, sanctions for infractions may range from a warning to expulsion and may include educational or restorative sanctions such as those listed as options for sanctions for College policy infractions.

HAZING Hazing is a violation of North Carolina General Statute §14-35. Hazing is defined by statute as “to subject another student to physical injury as part of an initiation, or as prerequisite to membership, into any organized school group, including any society, athletic team, fraternity or sorority, or other similar group.”

Hazing, which can be construed as an act that: 1) endangers the mental or physical health or
safety of a student (whether intentional or not); 2) negatively impacts academic performance; or 3) damages or removes public or private property for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization, is prohibited. Hazing allegations may be handled by the Judicial Council or the administration.

This policy exists for the protection of all students. Students are expected to realize the detrimental potential of participating in hazing traditions and activities. Activities that begin as harmless pranks may result in unintended injury or death. Group pressure, alcohol use, hidden physical or psychological disabilities, or unforeseen circumstances may result in harm to individual students, regardless of intent or one’s willingness to participate.

**Health Services**

Health Services provides care for acute illness, information and education on women’s health issues, and referrals to offsite specialists. Nursing-care hours are scheduled Monday through Friday. If a residential student needs medical attention after hours, they are to notify their Residential Coordinator (RC) or contact the Office of Public Safety.

Every traditional-age student is required to have a physical examination prior to enrolling at Salem. Special needs or medical problems should be noted on the health form and brought to the attention of the Director of Health Services. Any student participating in intercollegiate sports is required to obtain clearance from their physician prior to their arrival on campus.

In adherence with North Carolina state law, all students are required to submit, as part of the application process, documentation of having met the immunization requirements applicable to the student’s age and degree program. All traditional-age students must submit a current immunization record. Any Fleer Center or Graduate student who was admitted after September 5, 2007, must submit a current immunization record.

The guidelines for completing the immunization record can be obtained online from Health Services or the Martha H. Fleer Center for Adult Education. The completed record must be received and approved by the Director of Health Services BEFORE the student will be allowed to attend class.

The Health Services Office is located in the Wellness Center on the lower level of Gramley Residence Hall.

Health Center staff *do not* write excuses for missing class due to illness. The staff *will* notify faculty of a student’s medical appointment if requested.

Note: Fleer Center and Graduate students do not pay a health fee and are not eligible for services through the Health Center.
HOVERBOARD POLICY

All versions of hoverboards are banned from the Salem Academy and College campus. This restriction includes, but is not limited to Swagways, IO Hawks, Skywalkers, and similar devices. The use, possession, or storage of these devices is prohibited on campus.

INCLEMENT WEATHER In the event that Salem College cancels classes because of snow or ice, WXII, a local television station, will be requested to make the announcement. Cancellations and delays also will be posted at www.salem.edu and at the call center voicemail service at (336) 721-2600. In some instances, bad weather may prevent professors from coming to class even though the College is not closed. Students concerned about this possibility may call the College switchboard at (336) 721-2600 between 8:30– 9:00 am. Faculty members not able to drive to campus are encouraged to notify the switchboard between 8:00–8:00 am.

Students are encouraged to ask professors teaching 8:00 am classes what method is best for obtaining information about whether that particular class will be held in the event of inclement weather.

INTERCOLLEGIATE ATHLETICS

Please see the Student Athlete Handbook, which is available through the Department of Athletics and Physical Education or online at www.salemspirits.com

INSTITUTIONAL VEHICLE USAGE Salem College allows recognized student groups to use institutional vehicles for official business that is approved by the Office of the Dean of Students. For more information, see the Institutional Vehicle Policy located on the College website under MySalem or https://my.salem.edu

MISSING STUDENT POLICY AND PROCEDURES

Salem College strives to maintain a safe and secure environment for its students. In support of this commitment, the College has established this missing student policy to be followed in the event that a residential College student is reported missing, as required by the Higher Education Opportunity Act of 2008. The procedures in this policy apply to students who reside in campus housing.

A Salem College residential student is determined to be “missing” when a missing person report investigation concludes that the student has been absent from the College for a period of twenty-four hours or longer without any known reason. The Chief of Public Safety or designee in conjunction with the dean of students or designee will make the official determination of whether a student is deemed missing.

Any concerned person who has information that a residential student may be missing must notify the Department of Public Safety as soon as possible so that an official determination may be made about whether or not the student is missing.

If a student is officially deemed missing, the Department of Public Safety will notify local police or other appropriate law enforcement, and the Dean of Students Office will notify the designated emergency contact for the missing student. The Department of Public Safety
will work closely with local police or other law enforcement regarding any investigation. In collaboration with the Dean of Students Office and until the missing student is located, the Department of Public Safety will serve as the primary point of contact for the emergency contact identified by the missing student after notification of the situation by the Dean of Students Office.

Note: In order to avoid jurisdictional conflicts when a Fleer or off-campus student is believed to be missing, the reporting person should immediately notify local law enforcement authorities. The Public Safety department will assist external authorities with these investigations as requested.

**Procedure for designation of confidential emergency contact information**

Residential students will have the opportunity annually to identify an individual or individuals to be contacted by the dean of students or designee no later than twenty-four hours after the time the student is determined to be missing in accordance with the procedures set forth below. A designation will remain in effect until changed or revoked by the student. This information is maintained confidentially and will be available only to the Public Safety department, dean of students, and residence life. The administration of the College reserves the right to notify the parents of a student if she has been determined to be missing.

For those students under the age of 18 and not an emancipated individual, the College is required to notify the emergency contact as well as the custodial parent or guardian no more than twenty-four hours after the student is determined to be missing.

**Procedure for official notification for missing students**

1. The Public Safety department and residence life staff will gather all essential information about the residential student from the reporting person and from the student’s acquaintances. Appropriate campus staff will be notified to aid in the search for the student. Appropriate staff will include the Residential Coordinator on-call, the assistant dean of students, and the dean of students.

2. If the above actions are unsuccessful in locating the student within twenty-four hours, or it is apparent immediately that the student is a missing person (e.g., witnessed abduction), the student will be determined to be a missing student.

3. Within twenty-four hours after a student is determined to be missing, (1) the dean of students or designee will notify the emergency contact per the emergency contact process, and (2) the chief of Public Safety or designee will notify the appropriate local law enforcement agencies for assistance. In addition, the administration of the College reserves the right to notify the parents of a student if she has been determined to be missing.
PARENTAL NOTIFICATION

Salem College reserves the right to notify parents or guardians of traditional age students in the event of health and safety emergencies, involvement in alcohol or other drug policy violations, hospitalizations, or when in our judgment the health, safety, and well-being of a student or other members of the Salem community may be at risk.

Whenever possible, students will be informed ahead of time that their parents or guardians will be notified about a particular situation.

PETS

For health and sanitation reasons, no pets are permitted on Salem College property or in the residence halls, with the exception of fish. Fish are allowed provided they are kept in an aquarium no larger than five gallons; the container is cleaned regularly, and no illegal species are kept. Pets of guests are also prohibited. An official of the Forsyth County Humane Society and/or the Forsyth County Animal Control Shelter will remove all pets found on campus. The name of any student who is in violation of the pet regulation will be reported to the assistant dean of students. Students will be responsible for any charges associated with cleaning, extermination, or damages resulting from the pet. All stray animals seen on campus must be reported immediately to Public Safety. Students are not to handle or feed stray animals, as they may be dangerous and/or carry a disease.

POSTING POLICY

The Salem College Posting Policy is in place to promote events, activities, and programs that build community and encourage involvement in campus life, in keeping with the mission and core values of the College. Organizations, offices, and individuals are expected to post items that create a welcoming environment for all, treat all members of the community with civility and respect, avoid damage to campus property, and support sustainability efforts to keep the campus free of unnecessary litter.

These posting requirements are defined to ensure consistency in the manner and place where postings may be presented on campus.

For the purpose of this Policy, a posting is considered to be any item or information tacked, tied, taped, stapled, or otherwise attached to or displayed on any surface on campus. Postings include flyers, posters, announcements, advertisements, sandwich boards, free-standing boards, banners, notices, signs, displays, bulletins, and other modes of communication that are used to state a message or describe an event.

A. Posting Requirements

All student postings must be approved by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education, and all postings must be made on designated Community Bulletin Boards.

1. Postings must contain a contact name and telephone number or email address for the organization or individual.
2. Except as otherwise stated in this Policy, postings are only allowed on Community Bulletin Boards (see link to list) mounted by Salem College for the purpose of promoting campus activities, events, and programming. Items may not be posted directly on the walls in the refectory or other campus buildings. Any exceptions to this requirement about posting locations must be approved by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education.

3. Postings must not harass, abuse, insult, degrade, or threaten any person or group of persons or contain content that is harassing, abusive, insulting, or threatening.

4. Prior to posting, postings must be stamped for approval by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education and contain an expiration date as determined by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education. For postings on Departmental / Administrative Bulletin Boards, Campus News Bulletin Boards, and Residence Hall Bulletin Boards, please see the alternate requirements described below in Sections A.10, A.11, and A.12.

16. The requirements described in this Policy do not apply to bulletin boards that are owned by faculty and located inside faculty offices.

B. Expiration and Removal of Postings

Postings that do not comply with the requirements of this Policy will be removed and discarded. Salem College reserves the right to remove any postings that would constitute a violation of any other Salem College policies or any applicable laws, rules, or regulations. Any persons or groups who damage Salem College property due to a violation of this policy will be personally responsible for all costs incurred by Salem College to repair the damage. Salem College is not responsible for retaining unapproved or expired postings.

C. Reporting and Enforcement Posting Violations

This Policy will be enforced as follows: as it applies to students, by the Dean of Students; as it applies to faculty, by the Dean of the College; as it applies to staff and administrators, by the Vice President for Administration. Individuals or groups that post items in violation of this Policy may be subject to the Salem College judicial process or disciplinary action as applicable. Sanctions may include, without limitation, the restriction or revocation of future posting privileges. Any perceived violations of this Policy should be reported to the enforcement representatives identified in this Section C.
RESIDENTIAL LIVING

Salem College is a residential campus for traditional age students (under age 23). All students must live in College residence halls on campus unless they make their home with members of their immediate families or legal guardians. Students living in College residence halls must be full-time students (registered for a minimum of three course credits). Infractions of this policy will be handled by the College administration.

SALEM COLLEGE STUDENT SEXUAL MISCONDUCT POLICY

I. STATEMENT OF POLICY AGAINST SEXUAL MISCONDUCT

Salem College is committed to maintaining a safe learning, living, and working environment for all members of the Salem community in which academic and professional excellence can flourish free from sex discrimination and sexual misconduct. In accordance with Title IX of the Education Amendments of 1972 (“Title IX”), Title VII of the Civil Rights Act of 1964 (“Title VII”), the Violence Against Women Reauthorization Act of 2013 (“VAWA”), and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”), Salem prohibits sex discrimination, sexual and gender-based harassment, sexual assault, domestic violence, dating violence, stalking, and any other form of sexual misconduct (collectively, “sexual misconduct”) in its educational programs and activities and employment.

All forms of sexual misconduct are acts of aggression and will not be tolerated by the College. Salem will take immediate action to eliminate sexual misconduct, prevent its recurrence, and limit its effects. The College strives to foster an environment free from sexual misconduct. Salem community members are encouraged to take reasonable and prudent actions to prevent and stop any act of sexual misconduct. The College will support and assist community members who take such action.

Anyone can be a perpetrator or victim of sexual misconduct, and therefore this policy is gender neutral. Salem College will investigate and address reports of sexual misconduct to the extent appropriate and possible. Depending on the results of an investigation, someone violation of this policy may be subject to an administrative hearing and disciplinary sanctions.

Suspected violations of this policy should be reported to the Salem College Title IX Coordinator, Erin Jones Adams, Associate Vice President for Administration, at (336) 721-2702 or erin.adams@salem.edu. Information about confidential reporting options and resources are described in Section V(B), Option 1 of this policy for students who want to speak with a confidential resource without invoking the processes described in this policy to determine whether the alleged conduct violates this policy.
II. SCOPE OF THE POLICY

This policy applies to all Salem College students. Students should use this policy to report sexual misconduct violations by anyone in relation to their academic programs and activities, including other students, employees (faculty or staff), or third-parties such as contractors or affiliates of the College. The College process for resolving reports of sexual misconduct is based on the relationship of the respondent to the College. The grievance procedures contained in this policy apply where the respondent (accused) is a Salem College student. Complaints of sexual misconduct against Salem College employees (faculty, staff, and students acting in an employment capacity) or third-parties are resolved pursuant to the grievance procedures contained in the Employee Sexual Misconduct Policy. These policies are available in the Title IX Office and on the Title IX webpage of the Salem College website. This policy is also contained in the Student Handbook, and the Employee Sexual Misconduct Policy is contained in the Personnel Manual and Faculty Guide.

Salem reserves the right to investigate alleged sexual misconduct involving its students regardless of where the sexual misconduct allegedly occurred or who was involved.

III. DEFINITIONS

Complainant is any student, employee, or third-party who invokes the processes identified in this policy to determine whether a violation of this policy has occurred. The complainant is typically the alleged victim who has reported an experience of sexual misconduct.

Respondent is any student who has been accused of violating this policy. Complaints of sexual misconduct against Salem College employees or third-parties are resolved pursuant to the grievance procedures contained in the Employee Sexual Misconduct Policy.

Responsible employee is any employee of the College, unless the employee is authorized or required by law to keep information confidential as a result of her/his professional role (including employees of Counseling Services and the Chaplain).

Sexual contact is any intentional touching or penetration of another person’s clothed or unclothed body, including, but not limited to the mouth, neck, buttocks, anus, genitalia, or breast, by another person with any part of the body or any object in a sexual manner. Sexual contact also includes causing another person to touch their own body or another person’s body in the manner described.

Sexual intercourse is any penetration, however slight, with any object or body part, performed by a person upon another person. Sexual intercourse includes (a) vaginal penetration by a penis, object, tongue, or finger; (b) anal penetration by a penis, object, tongue, or finger; and (c) any contact, no matter how slight, between the mouth of one person and the genitalia of another person.

Prohibited Sexual Misconduct

1 These definitions may differ from North Carolina laws. North Carolina criminal statutes are found starting in Chapter 14 of the North Carolina General Statutes.
Dating violence is any act of violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship is determined based on the statements of the persons involved in the relationship and with consideration of the length of the relationship, the type of the relationship, and the frequency of interaction between the persons. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under domestic violence.

Domestic violence is any felony or misdemeanor crimes of violence committed: (i) by a current or former spouse or intimate partner of the victim; (ii) by a person with whom the victim shares a child in common; (iii) by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (iv) by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or (v) by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Fondling is touching the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Rape is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Sexual assault is a form of sexual harassment that involves having or attempting to have sexual contact with another person without consent.

Sexual exploitation is taking sexual advantage of or sexually exploiting another person without their consent, such as the non-consensual videotaping of an individual engaging in sexual activity, the knowing exposure of an individual to a sexually transmitted disease, or the non-consensual observation of an individual engaging in sexual acts.

Sex discrimination occurs when an individual suffers an adverse consequence, such as the failure to be promoted in an academic program, on the basis of their sex.

Sexual / gender-based harassment is behavior directed at a person of a sexual nature or based on their sex, gender identity, sexual orientation, or sex / gender stereotypes, when that behavior is unwelcome and meets one of the following criteria:

- submission to the behavior is made an express or implied term or condition of employment or education for that person;
- submission to or rejection of the behavior is a factor in an employment or educational decision (such as hiring, promotion, or grading a course) for that person; or
• the conduct has the purpose of or could reasonably be judged to have the effect of interfering with the work or educational performance of, or creating a hostile working or learning environment for, that person.

Examples of conduct that may constitute sexual / gender-based harassment include, but are not limited to: threats that rejection of sexual advances or requests for sexual favors will impact the educational status of a student; physical assault based on gender identity; severe, persistent, or pervasive unwelcome comments based on the sex or gender of a person that interfere with their participation in school-related activities; a pattern of unwelcome sexually explicit statements, questions, jokes, or anecdotes in classroom or extracurricular activity settings; unwelcome touching, patting, hugging, or brushing against someone; unwanted remarks of a sexual nature about clothing, body, sexual activity, or previous sexual experiences.

Stalking is engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s safety or the safety of others or suffer substantial emotional distress. Examples of stalking include, but are not limited to, repeatedly following another person; repeatedly committing acts that alarm, cause fear, or seriously annoy such other person and that serve no legitimate purpose; and repeatedly communicating by any means with a person in a manner likely to intimidate, frighten, or alarm them.

Statutory rape is non-forcible sexual intercourse with a person who is under the statutory age of consent.

IV. CONSENT

Salem College defines consent to sexual activity as the mutual agreement or willingness to participate in sexual activity. The willingness to engage in sexual activity must be clearly communicated by mutually understandable words or actions. The decision to engage in sexual activity must be freely and actively given by all participants.

• Consent must be clear and unambiguous.
• Consent may not be implied by silence, lack of active resistance, or passivity.
• Consent may not be implied by prior sexual activity between the parties, or by prior sexual activity with other parties.
• Consent for one sexual act does not imply consent for other or different types of sexual acts.
• Consent is not effective consent if it is obtained by force, coercion, intimidation, manipulation, or threats.
• Consent may be withdrawn at any time. If one party communicates withdrawal of consent to the other party, then the sexual activity must cease.
• Someone who is incapacitated cannot consent.

Under North Carolina law, consent may never be given by a person who is:
- Under the age of 16;
- Mentally disabled meaning that the person has a mental disorder that either: (1) prevents the person from being able to evaluate the nature of his or her conduct; (2) prevents the person from being able to resist the sexual act; or (3) prevents the person from being able to communicate unwillingness to engage in the sexual act;
- Unconscious; or
- Physically unable to resist the sexual act or to communicate unwillingness to engage in the sexual act. It is important to note that this inability to resist or communicate unwillingness may result from the use of alcohol or drugs. Therefore, a person may not engage in sexual activity with another individual if the person knows, or reasonably should know, that the other individual is incapacitated by the use of alcohol or drugs. Being intoxicated or under the influence of drugs does not eliminate the requirement for obtaining effective consent to sexual activity.

Any sexual act that violates North Carolina criminal laws is not consensual, and in some instances the statutes specifically state that consent is not a defense. North Carolina sex offense laws are found in Chapter 14 of the North Carolina General Statutes.

Relationships Involving Power Differential. Salem College prohibits any romantic or sexual relationship between faculty/staff and students and between employees in supervisory/subordinate positions. There will be a strong presumption that sexual activity between students and faculty/staff and between employees in supervisory/subordinate positions is unwelcome and nonconsensual. Amorous or sexual relationships with minors are strictly prohibited.

V. REPORTING SEXUAL MISCONDUCT

Salem College encourages anyone who has experienced sexual misconduct to report it to the Title IX Coordinator. It is most important that victims receive immediate access to safety, medical, and emotional health resources and assistance as needed. If the incident involves alleged criminal activity or a safety concern, it may also be reported to the Public Safety Office. When sexual misconduct is reported, notice of available resources, which may include counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services available in the community and on campus, will be provided.

Personally identifiable information about alleged victims will not be included in any publicly available record-keeping, including the reporting and disclosure of crime statistics. If there is an immediate threat to the campus community, a campus alert may be issued with no information identifying the alleged victim.

Each option for reporting and receiving assistance in response to an incident of sexual misconduct and whether that reporting option is a confidential resource is described in this section.

A. Options for Seeking Immediate Safety, Medical, and Emotional Health Assistance

Below this section, each option for reporting sexual misconduct and whether it is confidential
is discussed in detail.

- Call the Winston Salem Police Department:
  - Emergencies: 911
  - Non-Emergencies: (336) 773-7700
- Call Salem College Public Safety: (336) 917-5555
- Notify a Salem College Resident Coordinator (RC)
- Notify a Salem College Residential Assistant (RA)
- Go to the hospital: Forsyth Medical Center - (336) 718-5000; or Wake Forest Baptist Medical Center - (336) 716-2011
  - These local hospitals have sexual assault nurse examiners who are trained to work with victims of trauma and to conduct forensic examinations for the collection of physical evidence for criminal prosecution as may be requested by the victim. It is not required that victims file a police report in order to receive a confidential exam or medical treatment from a sexual assault nurse examiner.
  - In order to maintain confidentiality, if victims do not want information about their medical care sent to their home address, they should not provide the hospital with a home address or identification card (such as an insurance card) that lists or is linked to a home address.
- Call Family Services crisis line available 24-hour/7 days a week: (336) 722-4457

**Preserve All Physical Evidence.** Even if a victim is undecided about initiating a formal complaint, they should save their clothing. It is preferred that victims do not remove their clothing. If a victim has done so, they should put their personal items in a paper bag and take them to the hospital for preservation with other evidence collected during a medical examination. Victims should not bathe, shower, go to the bathroom (if possible), brush their teeth, smoke, comb or brush their hair, eat, or drink before receiving a medical exam to collect physical evidence.

**B. Options for Reporting Sexual Misconduct**

**Option 1 - Confidential Reporting and Support Resources or Anonymous Reporting**

This option allows a student to confidentially report an incident of sexual misconduct without invoking the grievance resolution procedures in this policy for resolving a complaint. Confidential resources are the following specific members of the campus and local community, who can provide students with confidential support and information about medical, counseling, safety planning, academic/housing, and any other assistance that may be needed in response to sexual misconduct.

- Students may call the following confidential resources at Salem College:
  - Counseling Services: (336) 721-2625
  - Chaplain: (336) 917-5087
• Students may call the following confidential community resource:
  • Family Services: (336) 722-4457
    • Family Services is available 24 hours per day, 7 days per week, with victim advocates who provide support for victims in making decisions about responding to incidents of sexual assault or relationship violence. Receiving assistance from Family Services does not require filing criminal charges.
Students may report sexual misconduct anonymously to Salem College via the reporting telephone line at (336) 917-5550 or the anonymous reporting website (link from the Title IX webpage of the Salem College website: www.salem.edu/about/title-ix).

If a student who has experienced sexual misconduct initially chooses to consult confidential resources and not to pursue a Title IX investigation or report to law enforcement for criminal changes, the student may change their mind later.
Students should be aware that with the exception of the above-listed confidential resources, all College employees who become aware of conduct that might violate this policy are expected to notify the Title IX Coordinator.

Option 2 – Salem College Title IX Investigation

This option allows a student to report sexual misconduct to the Salem College Title IX Office for investigation and resolution pursuant to the processes described in this policy.

• Contact the Salem College Title IX Coordinator, Erin Jones Adams, at (336) 721-2702 or erin.adams@salem.edu.
• The College will conduct a prompt, thorough, and impartial inquiry into any reports of sexual misconduct.
• The Title IX Coordinator will notify the complainant about options for resolution of the complaint under this policy.
• Following a Title IX investigation, based on the facts and evidence gathered, the case will be referred to administrative hearing officer(s) for an administrative hearing, determination of outcome, and sanctions if the respondent is found responsible.

Option 3 – Criminal Investigation

This option allows a student to report criminal law violations directly to law enforcement. A student may wish to pursue criminal action in addition to, or instead of, making a report under the College Sexual Misconduct Policy. Criminal prosecution does not preclude College disciplinary action.

• Call the Winston Salem Police Department:
  • Emergencies: 911
  • Non-Emergencies: (336) 773-7700
• The investigation is conducted by police with cooperation from Salem College Public Safety and the Title IX Coordinator.
• The Office of the County District Attorney decides whether to initiate criminal prosecution.
• Any prosecution occurs in the criminal courts. The College will cooperate with law enforcement as requested and appropriate and abide by lawful orders.

**Option 4 - Pursue Both College and Criminal Investigations**

• If more than one option is pursued, they may occur simultaneously.
• Internal and criminal adjudication processes occur independently.
• An investigation of a violation of this policy by Salem College may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus.

**C. Legal Advice.** Legal advice may be available from the Winston-Salem Police Department, Family Services, or a personal attorney engaged by a student.

**D. Medical Amnesty Policy**

Students may request medical amnesty when the student sought emergency medical attention for themselves or medical assistance was sought for them related to drug or alcohol consumption. If medical amnesty is requested, the student must successfully complete a substance abuse assessment and/or intervention program.

This policy is applicable to the student in need of medical attention and other students seeking medical attention on behalf of another person. In the case of a student seeking medical attention on behalf of another person, the reporting student will not receive disciplinary action for seeking help, but may be required to complete a substance abuse assessment and/or intervention program.

The Dean of Students will review and decide all requests for medical amnesty. If medical amnesty applies, the student will avoid disciplinary action for the alcohol or drug offense. Amnesty only extends to campus judicial processes, and does not protect students from criminal or civil penalties. This policy also does not protect students who repeatedly or blatantly violate the Student Code of Conduct. The Dean of Students has discretion to sanction repeat offenders.

The policy also does not protect students from other concurrent conduct violations, for example, destruction of property or assault that may have occurred during the same incident.

**VI. FILING A COLLEGE SEXUAL MISCONDUCT COMPLAINT**

To initiate a complaint of alleged sexual misconduct in violation of this policy, the complainant should submit a statement to the Title IX Coordinator.
The complaint should contain the name of the respondent, a description of the alleged sexual misconduct, and the date, approximate time, and location of the alleged violation if known to the complainant. The College encourages complainants to submit their complaint to the Title IX Coordinator as soon as possible after the incident has occurred. The Title IX Coordinator or their designee will oversee any investigation related to Title IX complaints.

Anonymous Complaints. Salem College accepts anonymous complaints (those where the complainant does not identify themselves). If the complainant chooses not to reveal their identity or to participate in an investigation, the ability of the College to respond to the complaint may be limited. The College will nevertheless, to the extent possible and appropriate, conduct an inquiry and take prompt and effective action that is reasonably calculated to eliminate the sexual misconduct, prevent its recurrence, and limit its effects. Anonymous complaints will be included in the annual security report for Salem College as required by law.

VII. INITIAL ASSESSMENT, PRIVACY, AND INTERIM MEASURES

Initial Assessment with Complainant. After the Title IX Office receives a report of sexual misconduct, the Title IX Coordinator or their designee will conduct an initial assessment to determine if the conduct alleged is potentially a violation of the Sexual Misconduct Policy. During this process, the Title IX Coordinator will review the allegations described in the report with the complainant, provide them with a copy of this policy, review the grievance procedures in this policy, and inform the complainant of available resources, support services, and options.

As part of this process, the Title IX Coordinator will (a) inform the complainant about immediate safety planning, medical, emotional health, legal, visa and immigration, and other resources available in the community and on campus; (b) inform the complainant how to access confidential campus resources, including Student Counseling Services and the Chaplain (see Section V(B), Option 1); (c) explain the availability of interim measures of protection to ensure the safety and wellbeing of the complainant throughout the resolution of the complaint; (d) for conduct that may be criminal in nature, explain the option to report or not to report the incident to law enforcement for criminal investigation or for obtaining a protective/restraining order(s); (e) explain the College procedural resolution options for reports of sexual misconduct in violation of this policy, including voluntary informal resolution or formal resolution through a prompt, thorough, and impartial investigation and an administrative hearing, if cause exists; (f) inform the complainant of their right to have an advisor present for support at meetings or a hearing that are part of the resolution process; (g) discuss the preferences of the complainant for privacy and for voluntary informal resolution or formal resolution of the complaint; and (h) explain the prohibition on retaliation.
Requests for Privacy. If a complainant requests that their identity not be disclosed to the respondent or that Salem College refrain from taking informal or formal action in response to their complaint of sexual misconduct, the College must balance that request against the need of the College to investigate and take action in situations where the alleged behavior poses a risk to the safety and welfare of any campus member or the College community (which can include, but is not limited to, the involvement of violence, the use of weapons, or repeat offenders). When possible based on the facts and circumstances of the complaint, the College will endeavor to act in manner consistent with the resolution preferences of the complainant. The College may be limited in its ability to respond to the report if the complainant requests that their identity not be disclosed to the respondent or refuses to participate in a resolution of the alleged incident. In such situation, even if these preferences by the complainant limit the ability of the College to fully investigate and take disciplinary action against the respondent, to the extent possible and appropriate, the College will nonetheless take prompt and effective action that is reasonably designed to prevent the recurrence of any alleged sexual misconduct and limit its effects.

Initial Assessment with Respondent. In consideration of any request for privacy by the complainant, the Title IX Coordinator will determine whether to conduct further initial assessment, to consider voluntary informal resolution if requested by the complainant, to initiate an investigation under the formal resolution process, and/or to implement interim measures under this policy. To the extent that any of these actions impact the respondent, the Title IX Coordinator or their designee will notify the respondent that a complaint has been filed against them, provide them with a copy of this policy, review the grievance procedures in this policy, and inform the respondent of available resources, support services, and options. During this process, the Title IX Coordinator will (a) inform the respondent about immediate safety planning, medical, emotional health, legal, visa and immigration, and other resources available in the community and on campus; (b) inform the respondent how to access confidential campus resources, including Student Counseling Services and the Chaplain (see Section V(B), Option 1); (c) explain the availability of interim measures of protection to ensure the safety and wellbeing of the respondent throughout the resolution of the complaint; (d) explain the College procedural resolution options for reports of sexual misconduct in violation of this policy, including voluntary informal resolution or formal resolution through a prompt, thorough, and impartial investigation and an administrative hearing, if cause exists; (e) inform the respondent of their right to have an advisor present for support at meetings or a hearing that are part of the resolution process; (f) discuss the preference of the respondent for voluntary informal resolution or formal resolution of the complaint; and (g) explain the prohibition on retaliation.

Timely Warning. If based on the reported sexual misconduct and/or initial assessment, Salem College determines that there is a continuing threat to the safety of members of the Salem community, it may have to issue a timely warning regarding the incident. The name of the complainant or other identifying information will not be released as part of the timely warning process.

Interim Measures. Upon notice of a report of sexual misconduct, complainants and
respondents may immediately request interim measures of protection. Salem College may institute the following interim measures in an attempt to maintain safety and security during the resolution process. North Carolina criminal law also grants certain interim protective measures to alleged crime victims. Further information about interim measures available under North Carolina criminal law can be obtained from the Winston-Salem Police Department (336-773-7700).

The following interim measures are available through Salem College:

1. **No-Contact Order**: An order issued by the Title IX Coordinator or Public Safety Office to the complainant and/or respondent banning interaction and communication with the other party, either directly or through others (e.g., family members, friends, professors, etcetera.). The goal of the No-Contact Order is to allow both the complaint and respondent, to the extent possible, to continue their academic and social activities while avoiding contact pending resolution of the complaint. The No-Contact Order can be as detailed as necessary, including specific plans of where the complainant and respondent may be at specific times.

2. **Modified Academic/ Extracurricular/ Transportation/ Dining/ Work/ Residence Arrangements**: A change in the relevant arrangements for the complainant and/or respondent to avoid contact between the two. Modifications may be necessary for the students’ academic schedules, extracurricular activities, transportation, dining, work, and/or residential arrangements.

3. **Increased Security**: The College may provide increased monitoring, supervision, or security.

4. **Interim Suspension for the Respondent**: Should the Title IX Coordinator, in consultation with Public Safety and appropriate College officials, determine that a threat to the health and/or safety of the campus community exists, an interim suspension may be applied for the respondent pending the conclusion of the Title IX investigation and any resulting administrative hearing.

Requests for interim measures should be made to the Title IX Coordinator. Salem College will maintain as confidential any accommodations or protective measures made available to victims provided it does not impair the ability to institute such measures.

**Academic Support.** Students who have reported sexual misconduct or are involved in a Title IX investigation and having difficulty maintaining their academic status should speak with the Title IX Coordinator, who can provide information about academic support services. Information about how to apply for a leave of absence is available from the Dean for Undergraduate Studies. The College will work with students to address concerns about loan repayment terms and conditions. Student financial aid information can be obtained from the Assistant Vice President of Financial Aid, Paul Coscia (336-917-5577).

**VIII. SEXUAL MISCONDUCT COMPLAINT RESOLUTION PROCEDURES**

Salem College has adopted the following procedures to receive, investigate, and resolve
reported violations of this policy. These procedures are designed to provide a supportive process for individuals who report sexual misconduct and to ensure a fair process for individuals who are accused of a policy violation.

A. Voluntary Informal Resolution

At any time during the investigation or complaint resolution process, before a decision as to the responsibility of respondent is rendered, the College may facilitate a voluntary informal resolution. The purpose of the voluntary informal resolution process is to eliminate the alleged conduct, prevent it reoccurrence, and limit it effects in an efficient manner that corresponds with the resolution preference expressed by the parties. The College will facilitate voluntary informal resolution of a complaint when: (a) the parties mutually agree to participate in the voluntary informal resolution, without a full investigation and adjudication of the complaint, (b) the parties have been informed of the allegations of sexual misconduct and their options for formal resolution, and (c) the College determines that the facts and circumstances of the particular complaint are appropriate for the voluntary informal resolution process. At any time before its conclusion, the voluntary informal resolution process may be terminated and the formal resolution process may be invoked by the College or by either of the parties.

Voluntary informal resolution includes, but is not limited to, options such as referral to another campus office, official, or program to facilitate the voluntary informal resolution, separation of the parties (such as a no-contact order), referral of the parties to counseling programs, or conducting targeted educational and training programs. Situations that are resolved through voluntary informal resolution are subject to follow-up after a period of time to ensure that resolution has been implemented effectively. The Title IX Coordinator will document steps taken to achieve voluntary information resolution.

Some reports of discrimination or sexual misconduct may not be appropriate for voluntary informal resolution, but may require the formal resolution process and/or a report to the Department of Social Services or a law enforcement agency, as determined by the Title IX Coordinator.

The College will seek to complete voluntary informal resolution within thirty (30) days of the request by the parties when this option for resolution is available.

B. Formal Resolution

1. Investigation

After the initial assessment, when voluntary informal resolution has not been requested by students or is not an available option under this policy, the formal resolution process has been established to resolve complaints of sexual misconduct. The Title IX Coordinator or their designee will conduct a prompt, thorough, and impartial investigation as part of the formal resolution of alleged sexual misconduct that potentially violates this policy. The Title IX Coordinator or their designee will provide the complainant and respondent with written notice of the initiation of an investigation and will identify the parties, the date, time, location, and
nature of the alleged sexual misconduct, any potential policy violations, and the request to preserve evidence. College officials who investigate and adjudicate reports of sexual misconduct in violation of this policy will receive appropriate annual training to ensure a process that protects safety and promotes accountability.

During an investigation, the Title IX Coordinator or their designee will attempt to meet separately with the complainant, the respondent, and any witnesses. The Title IX Coordinator may also work with Public Safety and other campus offices to obtain additional relevant information. The parties will have an equal opportunity to present information and supporting evidence and to identify witnesses as part of the investigation. The parties should present all evidence in the case to the investigator during the investigation.

When a case also involves criminal charges, the Title IX Coordinator will cooperate with law enforcement. The Title IX investigation may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus.

An investigation by the Title IX Coordinator and determination of outcome by the administrative hearing officer(s) will generally be completed within sixty (60) days after the complaint is delivered to the Title IX Coordinator. This time period is subject to extension at the discretion of the Title IX Coordinator for good cause (such as in order to conduct a thorough investigation).

Witnesses. During the investigation, the parties will provide their list of witnesses to the investigator. Witnesses may be individuals who have seen and/or heard the incident and individuals to whom the complainant and/or respondent may have spoken about the incident. Because the focus of the hearing is on facts, character witnesses are not used in this process. It is possible for both the complainant and the respondent to identify the same witnesses.

Other Policy Violations. Salem College retains discretion to pursue other violations of the Student Handbook or College policies that occurred in the context of the reported sexual misconduct. Such violations may be resolved at the administrative hearing described in this policy or pursuant to the administrative hearing process applicable for other potential policy violations as set forth in the Student Handbook.

Advisor. The complainant and the respondent may each be assisted by one advisor of their choice during the investigation. The role of the advisor is to provide emotional, logistical, or other support to the student throughout the investigation. The advisor is not permitted to question the other parties, witnesses, or Title IX Coordinator during the investigation. The advisor may not be someone who was a witness to the events at issue or any Salem College official who may have responsibility for adjudicating the complaint.

Acceptance of Responsibility. At any time during the formal resolution process, the respondent can choose to accept responsibility for the policy violations. In order to accept responsibility, the respondent must provide the Title IX Coordinator with a written statement identifying the specific policy violation to which the respondent admits. The Title IX Coordinator will share the statement with the complainant and the administrative hearing officer(s). If the acceptance of responsibility includes an admission to all allegations of
sexual misconduct, the case may proceed to administrative hearing for the sole purpose of determining sanctions and directions for accountability for the respondent. If the acceptance of responsibility does not address all allegations of sexual misconduct, the process provided for by this policy will be followed with respect to any remaining allegations of sexual misconduct in violation of this policy.

Conclusion of Investigation and Investigative Report. When an investigation concludes, the Title IX Coordinator will prepare an investigative report for submission to the administrative hearing officer(s) in advance of the administrative hearing. Evidence directly related to the complaint will be included in the investigative report. Prior to submission of the investigative report to the administrative hearing officer(s), the parties will be given three (3) business days in which to review the investigative report and to provide the Title IX Coordinator in writing with any requests that the Title IX Coordinator include additional evidence as an appendix to the original investigative report. The Title IX Coordinator retains the discretion to exclude the additional evidence presented on the grounds that the party failed to provide the evidence during the investigation without good cause as determined by the Title IX Coordinator.

2. Administrative Hearing
Following the conclusion of the investigation process, the parties will receive written notice of the date, time, and place of the hearing, the alleged violations that will be adjudicated at the hearing, and other information about the administrative hearing process. In advance of the hearing, the Title IX Coordinator will provide the administrative hearing officer(s) with a copy of the investigative report. Both the complainant and respondent will have equal opportunity to share information with the presiding administrative hearing officer(s) before a determination on responsibility and sanctions is made. The administrative hearing officer(s) will be free of bias and conflicts of interest. For traditional undergraduate students, the administrative hearing is usually, but not always, conducted by the Dean of Students and the Associate Dean of Students. For graduate students, the administrative hearing is usually, but not always, conducted by the Director of Graduate Studies. For Fleer Center students, the administrative hearing is usually, but not always, conducted by the Dean of the Fleer Center.

Advisor. The complainant and the respondent may each be assisted by one advisor of their choice during the administrative hearing process. The role of the advisor is to provide emotional, logistical, or other support to the student during the hearing. The advisor is not permitted to present information or question the other parties, witnesses, or administrative hearing officer(s) at any time. The advisor may not be someone who was a witness to the events at issue or any Salem College official who may have responsibility for adjudicating the complaint.

Questions for Parties and Witnesses. The complainant and the respondent may submit questions to the administrative hearing officer(s) in advance of the hearing as directed by the administrative hearing officer(s) to be asked of the other party and witnesses. During the hearing, the complainant and the respondent may submit any additional questions to the administrative hearing officer(s) in writing that they would like the administrative hearing officer(s) to ask of the opposing party or witnesses. The administrative hearing officer(s) will review the questions and may ask any appropriate and relevant questions or rephrase or omit questions presented by the parties.
Standard of Review. Salem College uses a preponderance of the evidence standard in determining whether to a violation of this policy occurred. This standard means that the offense is more likely than not to have occurred.

Witnesses. Witnesses with relevant information about the case will be directed by the administrative hearing officer(s) to participate in the administrative hearing.

General Administrative Hearing Procedure:

1. The complainant, respondent, and their advisors (if any) enter the room, unless the parties have received authorization from the administrative hearing officer(s) to be separated from each other. The parties, advisors, and witnesses (if any) are not permitted to bring phones or other recording devices into the hearing. The administrative hearing officer(s) may accommodate any student(s) with concerns for personal safety, well-being, and/or fears of confrontation during the hearing by providing separate facilities and/or by permitting participation by other means such as videoconference or Skype.
2. The administrative hearing officer(s) will read aloud the charges against the respondent as stated in the written notice of hearing, and the respondent will either respond by accepting or denying responsibility. If the respondent admits responsibility for the alleged policy violations, the administrative hearing officer(s) may abbreviate the hearing and seek only information relevant to sanctioning.
3. The complainant will be given an opportunity to provide all pertinent information regarding the alleged violation and may be questioned about written statements, documents, evidence, or other information collected and/or presented in the case.
4. The respondent will be given an opportunity to provide all pertinent information regarding the alleged violation and may be questioned about written statements, documents, evidence, or other information collected and/or presented in the case.
5. If either party does not attend the hearing, the administrative hearing officer(s) will hear the evidence presented in their absence and make a decision based on available evidence. The administrative hearing officer(s) reserve the right to disallow the presentation of new evidence at the administrative hearing that was not presented during the investigation, provided the new evidence was available to the presenting party at the time of the investigation and the presenting party had the opportunity to present the evidence during the investigation but failed to do so.
6. During the hearing, the administrative hearing officer(s) will have the opportunity question the complainant and the respondent. The complainant and the respondent will not be permitted to ask questions directly of one another. The complainant and the respondent will have had an opportunity to submit questions in writing to be asked of one another and/or the witnesses prior to and during the hearing. The administrative hearing officer(s) will review the questions and may ask any appropriate and relevant questions or rephrase or omit questions presented by the parties.
7. Witnesses, if any, will enter the hearing room individually, give statements, and answer questions from the administrative hearing officer(s). If any witness does not attend the hearing, the administrative hearing officer(s) will hear the evidence presented in their absence and make a decision based on available evidence.
8. After all information is presented, each party will have an opportunity to make a brief
closing statement.

9. After closing statements, the parties and witnesses will be dismissed from the hearing in order for the administrative hearing officer(s) to deliberate.

3. Outcome and Sanctions

Following the hearing, the administrative hearing officer(s), taking all statements and evidence into consideration, will deliberate and determine responsibility based on the preponderance of the evidence standard and then determine appropriate sanctions, if deemed necessary. The administrative hearing officer(s) will communicate the results of the hearing to both parties in a written determination of outcome. The determination of outcome will provide an explanation of responsibility and sanctions (if any) consistent with College obligations under federal law and information regarding College appeal procedures.

One or more of the following sanctions may be deemed appropriate, depending on the nature and severity of the violation, and whether the student is a repeat violator of community standards:

- **Fines/Restitution**: The student may be required to pay money as punishment; reimbursement for damages or misappropriation of property.

- **Relocation of Residence**: The student may be relocated from their current residence hall room to another room on campus or to live off campus with a parent or guardian.

- **Permanent No Contact Order**: The student may be required to stay away from the complainant until both parties graduate.

- **Class Reassignment**: The student may be removed from current academic classes to prevent contact with the complainant.

- **Loss of Social Privileges**: The student may lose all visitation privileges. The purpose of this sanction is to provide the student with time for reflection on the responsibility related to enjoying the privilege of attending social events and having visitors in the future prior to this privilege being restored. For a designated period of time, the student may not attend any College-sponsored social events, such as events sponsored by the Student Government Association or the Campus Activities Board.

- **Loss of Visitation**: The student may not have any guests on Salem College property or at Salem-sponsored off-campus events for a designated period of time.

- **Community Service**: The student is assigned a set number of hours to serve the community.

- **Substance Abuse Assessment**: The student may be required to complete a substance abuse assessment by a health professional, either on campus or in the local community.

- **Educational Sanctions**: A student may be required to complete workshops, attend programs, or participate in training on campus or in the local community on topics related to the violation. Students may be required to write a reflection paper, make a presentation, or complete a special project intended to learn from their behavior.
• **Written Warning**: The student is warned, in writing, that continuation or repetition of the prohibited conduct may cause more severe disciplinary action. The student is advised to learn from their experience as they reflect on the importance of their behavior and its impact on the Salem community. The warning is put on the student’s judicial record until graduation.

• **Probation**: The student is excluded from participation in privileged or extracurricular activities for a definite period of time. Probation is designed by the administrators and likely includes a combination of the sanctions listed here such as loss of social privileges for the length of probation and/or educational assignments, and a punishment to fit the violation. The sanction of probation remains on a student’s judicial record until graduation.

• **Suspension-Held-in-Abeyance**: The student is excluded from classes and other privileges for a definite period to be enforced should another violation occur. This sanction is given when a student is found responsible for a violation of a very serious nature but who, in the administrator’s judgment, should be allowed to continue their coursework at Salem. A sanction of Suspension-Held-in-Abeyance may entail a loss of social privileges for the length of the sanction, as well as appropriate educational assignments and/or a punishment to fit the violation based on the administrator’s decision. If the student is found responsible for any other violation by the administrators while on Suspension-Held-in-Abeyance, this violation may activate a sanction of suspension or expulsion, and the student will be required to leave campus within 24 hours. Suspension-Held-in-Abeyance stays on a student’s judicial record until the student graduates.

• **Suspension**: The student is excluded from classes and other privileges for a definite period of time. The student must leave campus within 24 hours. Once the sanction has been served, the student is free to return to Salem. If a student chooses to take classes while serving this sanction, no credits will be transferable back to Salem. Suspension remains on the student’s judicial record for two years after graduation.

• **Expulsion**: The student receives a termination of their student status indefinitely. The student must leave campus within 24 hours. A student who is expelled following a Title IX administrative hearing may not return to Salem’s campus for any reason, including alumnae events. The sanction remains on the student’s judicial record permanently.

The administrative hearing officer(s) will inform appropriate offices and/or faculty members of any sanctions on a need-to-know basis. Failure of a student to fulfill their sanctions by the date specified will result in an automatic requirement to reappear before the administrative hearing officer(s) and may result in further sanction.

In cases where a criminal investigation is also pending, College determinations or sanctions will not be subject to change because criminal charges arising out of the same facts giving rise to violation of College rules are later dismissed, reduced, or resolved in favor of or against the criminal law defendant.

**Disclosure of Outcome.** The Family Educational Rights and Privacy Act of 1974 (FERPA) permits the College to disclose the outcome of the administrative hearing to the complainant without prior written consent of the respondent when the disclosure is to a victim of a crime of violence including physical sexual misconduct. FERPA further permits the College to notify the complainant of any sanctions assigned to the respondent if those sanctions apply to
IX. APPEALS

The complainant and respondent each have one opportunity to appeal a decision and/or any sanction(s) issued by the administrative hearing officer(s). Appeals must be submitted in writing to the Vice President for Academic and Student Affairs and Dean of College (“Dean of College”) within three (3) business days of receiving written notification from the administrative hearing officer(s). The written statement of appeal will be shared with the other party in the case, and the other party will receive an opportunity to submit a written response to the appeal. The available grounds for appeal include: (a) previously unavailable relevant evidence could significantly impact the outcome, (b) a procedural irregularity undermined the adjudication process and materially affected the outcome, and/or (c) the sanction is substantially disproportionate to the findings. During the appellate review, the Dean of College will review written statements submitted by the parties related to the appeal, along with applicable portions of the investigative report and outcome determinations by the administrative hearing panel, and reach a conclusion only on the challenged grounds. The Dean of College may consult with the Title IX Coordinator and administrative hearing officer(s) about an alleged procedural error. The outcome of the appeal will be provided in writing to both the complainant and the respondent when such results become final. In adjudicating the appeal, the Dean of College can do any of the following: overturn a finding, overturn or modify a sanction, or remand the case to a new administrative hearing panel for re-hearing. Any sanctions imposed by the administrative hearing officer(s) will remain in effect pending the outcome of an appeal and/or the subsequent determination of outcome if the case is remanded to a new hearing panel for re-hearing.

X. RETALIATION PROHIBITED

No official, employee, student or agent of Salem can retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights under this policy or other campus security policies. Retaliation includes acts such as engaging in behavior that interferes with any report, investigation, or proceeding under this policy as revenge for someone making a report of sexual misconduct.

Retaliation against an individual who in good faith reports sexual misconduct or any criminal activity, or who participates in an investigation or proceeding involving sexual misconduct or any criminal activity, is strictly prohibited. An individual who is subjected to retaliation because the person (a) made a report of sexual misconduct, in good faith, (b) assisted someone with a report of sexual misconduct, or (c) participated in an investigation or resolution of a report of sexual misconduct, may make a report of retaliation in violation of this policy to the Title IX Coordinator. Reports of retaliation will be investigated and adjudicated pursuant to the grievance procedures contained in this policy.

This policy was last updated August 6, 2019, and it may be updated by Salem College at any time. Please visit the Title IX webpage on the Salem College website to view the most current version of this policy. Where the date of the alleged sexual misconduct precedes the effective date of this policy, the definitions of misconduct in existence at the time of the alleged
incident(s) will be used. The procedures under this policy, however, will be used to investigate and resolve all reports made on or after the effective date of this policy, regardless of when the incident(s) allegedly occurred.

SMOKING/TOBACCO USE

Smoking and all forms of tobacco use, including smokeless tobacco, e-cigarettes, and vapor products, are prohibited in all Salem College facilities and are limited to three designated areas on campus grounds.

Designated areas where tobacco use is allowed:

• Brick patio with umbrella table located on the back side of Corrin dining hall near the Physical Plant
• Set aside area on the gravel pathway that connects the lower level of the Science building and the lower level of the Elberson Fine Arts Center

SOCIAL MEDIA

Social media sites, such as Facebook, Twitter, YouTube, and LinkedIn, are effective channels for sharing knowledge, expressing creativity, and connecting with others. However, as this technology advances, it is crucial to consider how these forms of communication impact our community and its members. The core values of the Salem College community call us to be respectful of each other when using social media.

As stated in the Salem College Computer Usage policy, “making false or deceiving statements...and harassment are just as wrong when done in the context of computing as they are in all other aspects of conduct.”

• Use of electronic media to harass or threaten others, either on or off campus, is prohibited.
• Students may not use Salem College brand identities (logos, crest, name, etc.) on personal sites or imply that personal accounts are College accounts.
• Students must respect United States copyright, trademark, fair use, and disclosure laws.
• Students may not use text or images that do not belong to them.

Disciplinary Action

Violations of the Social Media policy will be addressed by the College student conduct system. As in all College judicial matters, sanctions for infractions may range from a warning to expulsion and may include educational or restorative sanctions, such as those listed as options for sanctions for College policy infractions. Violation of local, state, or federal statutes may result in civil or criminal proceedings.

In addition to the requirements of the Social Media policy, as a responsible user of social media and member of the Salem College community, users should be mindful of the following expectations:
A. For security purposes, never share confidential information online.
B. Use stringent privacy settings online, and be sure to check them regularly.
C. Remember that social media is rarely private. Even if your privacy settings restrict posts or comments from being shared, they can be copied and pasted to unintended viewers.
D. Be aware that archival systems are able to retrieve deleted online information. Search engines can find changed or deleted information years after posting.
E. Be mindful that information you post online may become available to future employers and graduate and professional school admissions officers.

SOLICITATION
Solicitation is not permitted on the Salem College campus. If a solicitor is seen in the residence halls or anywhere on campus, contact Public Safety immediately.

STUDENT HEALTH INSURANCE
Due to the Affordable Care Act, everyone is expected to have health insurance. Please take the time to double check your insurance plan to make sure it will cover care in North Carolina. If it does not, you may wish to look into getting insurance through the federal insurance exchange (www.healthcare.gov)

SUBSTANCE ABUSE
In accordance with the Drug-Free Schools and Communities Act (P.L. 101–226), the following information is provided in order to outline Salem College’s Substance Abuse Policy:

1. The consumption of alcohol by people under 21 and the illegal possession, use, or sale of drugs is strictly prohibited and is subject to judicial action on campus by the Judicial Council or the administration, as appropriate, as well as prosecution off campus by local authorities.
2. According to North Carolina General Statute §90-5 and Title 21 of the United States Code, anyone who is found to have manufactured; sold; or delivered or possessed with intent to manufacture, sell, or deliver a controlled substance is subject to imprisonment and possible fines. Chapter 188 of the North Carolina General Statutes outlines the penalties for violations of alcoholic beverage consumption and distribution. Penalties may also include imprisonment and/or fines. Offices on campus are available to serve as resources for the campus community regarding counseling, treatment, or rehabilitation programs. Health services and counseling services can provide limited treatment, counseling, guidance, and referrals. Information regarding community agencies also is available.

Salem Academy and College Student Travel Policy
This policy applies to all domestic and international travel for both Salem Academy and Salem College students. There are separate vehicle-use policies regarding individual faculty and staff travel.

Salem maintains handbooks for student travelers and a separate handbook for program
directors, and both include extensive information about travel guidelines and policies. The program director’s handbook details emergency response procedures.

I. General Requirements

Advance written approval. Salem-sponsored student travel must be approved in writing by the appropriate member of Salem’s administration in advance. Single-day trips do not require written approval, but students or legal guardians must always sign the appropriate liability waiver. The following people are authorized to provide written approval:

**College**

Salem College academic or course-related domestic travel is approved by the Associate Vice President for Academic Affairs and Dean of Undergraduate Studies.

Salem College travel by athletic teams is approved by the College Athletic Director.

Salem College international travel is approved by the Coordinator of Study Abroad. January Term programs are approved in coordination with the Jan Term Committee.

Salem College travel for extracurricular purposes is approved by the College Dean of Students.

**Academy**

Salem Academy domestic and international travel is approved by the Academy Head of School. Salem Academy travel for extracurricular purposes is approved by the Academy Dean of Students.

Salem Academy travel by athletic teams is approved by the Academy Athletic Director.

Salem-sponsored travel is defined broadly and includes travel that:

- is funded in part or in full by Salem funds; or
- is awarded course credit; or is organized by a formal Salem group such as a class or club; or
- is a part of a program, conference, or other event whereas an individual is traveling and representing Salem at another site.

Required program directors. All Salem-sponsored group travel must be supervised by a faculty or staff program director. Salem students may apply for an exception to this requirement by presenting such request to the person stated above as the Salem employee authorized to approve Salem-sponsored travel.

Salem-sponsored group travel within the United States must have at least one faculty or staff program director, and may be required to have an additional program director depending on the number of students traveling or length of travel.

Salem-sponsored group travel to international destinations must have one faculty or staff program director and a second program director (who is not a Salem student) who is willing and able to chaperone students.
College students traveling in groups of four or fewer for participation in conferences, independent study, internships, or travel sponsored through another institution are not required to have a chaperone or program director. However, college students traveling alone to international destinations on Salem-sponsored trips will be required to create a travel plan approved by the Coordinator of Study Abroad to ensure regular communication between the student and Salem.

Salem is not responsible for Salem Academy students traveling alone. Those students remain the responsibility of their legal guardian(s), and they remain under the direction and authority of their legal guardian(s).

Required use of travel agency. Salem-sponsored international travel must be planned through an approved travel agency. Faculty and staff may request an exception to this policy or suggest another agency, but such request must be made well in advance of the anticipated travel and prior to publicizing such trip to allow ample time for administrative review. The request must be made in writing and submitted to the person/office named under general requirements. The request will then be submitted to the office of the Vice President for Administration for administrative review and approval.

At this time, approved travel agencies are:

WorldStrides, Camille Garcia, (434) 982-9702
Team USA Tours, Pamela Harris, (866) 832-6887
World Cultural Tours, Wilmington NC, (910) 509-1703
American Express Travel
AAA
Aladdin Travel, Rebecca Woltz, (336) 768-1680
Sofia Travel, Adam & Blake Sparks, (214) 493-3027

Orientation. Students who are traveling with Salem may be required to attend orientation sessions, classes and/or pre-departure meetings. It is the student’s responsibility to make arrangements to attend any mandatory meetings prior to travel. Failure to attend may result in the student’s inability to participate. All student travelers must complete a required pre-departure orientation session for international travel.

Liability waivers. All travelers are responsible for their own safety when traveling, whether or not their activities are funded by Salem or awarded credit by Salem. Each student traveler and non-employee traveler must sign and submit Salem’s liability waiver before the scheduled trip. If the student is under the age of 18, the liability waiver(s) must also be signed by a legal guardian.

Health insurance. During trip planning, students and staff planning to travel must confirm insurance coverage with a health insurance provider.

Emergency contact. Prior to international travel, each traveler is required to provide Salem
with the name and phone number(s) of at least one emergency contact person.

Travel insurance. Salem-sponsored international travel requires the purchase of travel insurance which includes cancellation insurance. Approved travel agencies are aware of this requirement, and may choose to coordinate travel insurance for all travelers.

Additional travelers. There are occasions when students who are not receiving academic credit for a specific trip are allowed to travel with the group. This is also true for adults such as parents, and non-employee Program Directors who accompany trips. These travelers are required to complete Salem’s sexual harassment training, Title IX training, and must complete a Salem criminal background check form prior to travel at their own expense, and Salem’s administration will review the results. All travelers are held to the same code of conduct.

Register with the State Department. Students who are U.S. citizens should register with the U.S. State Department prior to international travel via the Smart Traveler Enrollment Program (STEP). Students enrolled in a Salem-sponsored group trip (such as a January Term trip) will be registered by the Program Director.

II. Cancellation of travel

U.S. State Department warnings and alerts. The U.S. State Department issues a travel warning when it wants you to consider very carefully whether you should travel to a specific country. Examples of reasons for issuing a travel warning might include an unstable government, civil war, ongoing intense crime or violence, or frequent terrorist attacks. The U.S. State Department issues a travel alert for short-term events they think you should know about when planning travel, such as an election season that is likely to have many demonstrations or an outbreak of a health-related concern such as H1N1.

Automatic cancellation. When a U.S. State Department travel warning is in place or is issued for a country in which Salem operates programs, all programs in that country are automatically canceled. Programs that involve travel to multiple countries may go forward after removing from the itinerary the country that is subject to the travel warning. Students are not permitted to participate in independent studies or internships in countries with travel warnings.

Supervising faculty may apply for a waiver of this policy by contacting the Academy Head of School or the College’s Coordinator of Study Abroad, who will submit the request to the Vice President for Administration. Travel warning waivers are granted to programs, not countries; if there are multiple programs traveling to the same country, each program director must apply for a waiver independently.

When a program is underway and a U.S. State Department warning has been announced for the first time, the program will be reviewed by the Vice President for Administration who will consult with the President and members of the President’s Cabinet. In the case of an immediate threat to student health, safety, or welfare, evacuation proceedings will begin immediately.
If travel plans include connections through cities on the State Department warning list, even though the final destination is considered safe, the program director will rebook travel through cities not on the warning list.

Salem does not issue student refunds for cancelled trips.

Academy policy. Regardless of whether a State Department warning or alert is issued, Salem reserves the right to evaluate the potential danger for Academy students on Salem-sponsored trips, and to cancel the trip if deemed prudent. Salem will give as much advance warning as possible to travelers when a trip is cancelled. Salem does not issue student refunds for cancelled trips.

THEFT Theft of any kind is strictly prohibited. All thefts should be reported immediately to Public Safety. Although the College takes normal precautions to safeguard property, it is not responsible for loss or damage to student property.

TRESPASSING

The campus of Salem College is private property. The facilities of Salem College exist for the benefit and use of its students, faculty, staff, and guests. Accordingly, Salem has the right to require individuals who do not have permission to be on campus to leave the campus and, if necessary and appropriate for the best interests of the institution and its students, faculty, and staff, to charge such individuals with trespassing.

The Salem community or certain members of the community may be informed about trespassing incidents when considered necessary or appropriate. All members of the Salem community are required to cooperate with and adhere to the policy on trespassing. Accordingly, members of the community are required to inform Public Safety promptly should they learn of individuals on campus who have been required to leave or charged with trespassing.

Community members are expected to act responsibly. No community member should engage in any dispute or argument with such individuals or try to force them to leave; rather, community members should contact Public Safety immediately. Likewise, no member of the Salem community should offer any assistance to an individual who has been required to leave the property owned or controlled by the Academy and College or charged with trespassing. Accordingly, conduct by any community member contrary to this policy will be subject to administrative review and action.

Students, faculty, and staff should carry a valid Salem ID card at all times, and this ID must be produced upon request by any Public Safety officer or staff member of Salem College.

VENDORS For the safety of the Salem community, solicitation on campus is prohibited. Only approved vendors are permitted on campus under the following conditions:

1. Any vendors on campus require approval by the dean of students.
2. Vendors may not include merchandise or activities that are incompatible with the values of the institution.
3. Approved vendors must check in at the Office of Public Safety upon arrival on campus to receive temporary identification. WEAPONS North Carolina General Statute §14-269.2 specifically prohibits weapons on campus or other educational property. Possession of weapons, concealed or otherwise (firearms, knives, dangerous chemicals, or other weapons), or intentional possession of a dangerous article or substance as a potential weapon in the residence halls, apartments, classrooms, laboratories, or elsewhere on campus is prohibited and may result in suspension or expulsion from the College, as well as prosecution under North Carolina State Law.

WEBPAGE Salem College recognizes the educational value and societal significance of the Internet and its invaluable resource as a public relations tool for the institution. To that end, this policy seeks to insure that all contents of webpages related to Salem College are compatible with the Honor Code and other policies of Salem College and with local, state, and federal laws. This requirement includes links to other pages.

Guidelines for Personal Webpages

All publishers of personal webpages should remember that a search for “Salem” will reveal their page if the word appears as text, image, or logo. Thus, publishers should exercise both good taste and discretion in their material because outsiders will judge Salem College by what they find on these personal webpages. All webpages must be compatible with the Honor Code and all other College policies. Personal webpage publishers may not use the Salem College logo. In addition, they must not use materials that:

A. Uses copyrighted images, text, or software, unless they have received permission to use such materials, subject to the copyright laws of the United States. If you have a question about copyrighted materials, email the Director of Libraries at library.admin@salm.edu or call (336) 917-5417.

B. Are offensive, pornographic, obscene, or threatening.

C. Are for private financial gain or compensation not relevant to the mission of the College or otherwise in violation of any College policies.

D. Intimidate or single out individuals or groups for degradation or harassment in violation of College policies or federal or state law.

E. Engage in any illegal activity.

Disciplinary Action

Reasonable suspicion of a violation of the principles or practices described in this policy statement may result in disciplinary action. Such action will be taken through the appropriate College channels such as administrative procedures, the Honor Council, or other supervisory authority to which the individual is subject. Violation of local, state, or federal statutes may result in civil or criminal proceedings.

Salem College Webpages

The Salem College website should be considered an institutional publication. Therefore,
the process of overseeing the content and appearance of the website resides with the
director of communications. No personal webpages may use the Salem College logo, and
no personal webpage may be directly linked from the Salem College homepage. Individual
departments, divisions, and student organizations sanctioned by Salem College may add
material to the Salem College website through the following procedure:

A. Materials must be written and submitted to the director of communications along with
any desired photographs or graphics, in electronic format, for content approval and editing.
The director of communications may ask for materials to be rewritten, as deemed necessary.

B. The director of communications, in conjunction with the webmaster, will determine a
timetable for placement of materials on the website. All requests will be subject to a waiting
period, depending on workload of the webmaster, the complexity of the request/materials,
and institutional priorities.

**Salem College Communications and Media**
Salem Academy and College may at times use photographs, audio, and/or video recordings
of employees and students for purposes of education, publicity, and student recruitment on
behalf of the college, via the Internet, print publications, and other media.

**Opt-Out Form**
Should an employee or student not want to be photographed or recorded, or have their
name or biographical information used in connection with any such recording, they must
submit a completed Photo Opt-Out Form to the Office of Communications and Public
Relations.

Individuals who submit a completed Photo Opt-Out Form are also responsible for
removing themselves from areas in which photography and/or recording is taking place, or
notifying the camera operator of their opt-out status. Failure to do so may result in that
individual’s inclusion in a photograph or recording and will be treated as consent for
the institution to utilize that photograph or recording accordingly.

**Public Spaces & Events**
Please be advised that images and videos taken in public spaces such as the Salem Square
and/or at public events do not require authorization for publication.

When a completed Photo Opt-Out Form is on file, Salem will make every effort to honor
that individual’s Opt-Out status, even in public spaces or at public events.

**ACADEMIC REGULATIONS**

**ACADEMIC PRIVILEGES AND RESPONSIBILITIES**
The current issue of the Salem College Undergraduate Catalog contains the official statement
of academic regulations and programs. Students are responsible for the information printed
in the catalog. The notes included below are to supplement and to assist your understanding
of College expectations. They do not replace statements in the catalog.
FACULTY ADVISORS

The dean of undergraduate studies serves as a general advisor and is available for conferences with individual students. Students should not hesitate to make an appointment for a conference. A faculty advisor is appointed for each first-year student before the fall term. Students keep this advisor until they declare a major.

The advisor or the student may arrange conferences at any time so that she may receive assistance in academic matters. A student may change her advisor by consulting with the dean of undergraduate studies. Students should feel free to make appointments with the faculty for whatever assistance may be needed. Faculty advisors for majors are appointed from the department in which the student has made a choice of major subject.

WRITTEN WORK

Students are expected to prepare all written work in accordance with the principles of the Honor Code. Any deviation from these principles in the preparation of themes or term papers will be considered a very serious violation of the Honor Tradition.

PREPARATION OF PAPERS

A student may freely discuss ideas with others, since such a discussion is valuable stimulation to independent thought. She must be especially accurate in the documentation of work and/or ideas which are not her own. Instructors can give specific guidelines about the preparation of papers, open book tests, and outside assignments. Individual instructors may have different requirements about the extent to which students may discuss ideas, edit each other’s work, or otherwise assist each other in the preparation of assignments.

DOCUMENTATION

The following statements regarding documentation of papers were adapted by the faculty in 1990: “It is customary in all of your writing to acknowledge all ideas and phraseology which you have not thought of yourself. At Salem College, this rule applies to the ideas and phrases of other students, as well as to those of published scholars. There are various specialized ways of making such acknowledgments, but in general, two principles should be kept in mind: (1) that you must state the source from which you get an idea or expression; and (2) that you must indicate what it was (idea, fact, technical term, or phrase) that you got from this source.”

“The method of stating where your source for a statement is located varies with the kind of writing you are doing. In a formal paper, you will use specific methods required by your instructor; in a less formal paper, you will simply mention the name of the author in the statement. In a test, when you are referring to a matter of fact you learned from your textbook or from class, you will assume that it is common knowledge and needs no specific citation. Matters of opinion or distinctive phrases, however, require some mention of the name of the person who uttered them.”

“Showing what you got from a source once you have cited it is done by making the following
distinction in your writing: an idea, fact, or an opinion, stated entirely in your own words, needs no further acknowledgment beyond citation of the source. Any quotation (including technical terms which might not be recognized by your reader), however, must be included in quotations and indented. You must quote exactly, showing omissions by the use of three spaced periods and insertions by the use of square brackets.”

“In order to show that you understand your subject beyond what is implied by the ability to copy someone else’s words and in order to make what you cite serve your purposes rather than those of the original author, you will normally paraphrase material written by someone other than yourself. Remember that when you paraphrase, you must use the words that come naturally to you rather than those suggested by your source. Even short phrases of two or three words as well as long ones, regardless of their degree of distinctiveness, that come from your source must be set in quotation marks.”

“Failure to make acknowledgment by these forms which have been discussed gives a false impression to your reader. The reader may think some idea, perception, or elegance of phrasing is your own when it really is not. It is your responsibility to go out of your way to play fair with your reader in giving credit where it is due by means of scrupulous acknowledgment of sources. If you have any doubt as to the correct way to treat a source, ask your instructor what to do, and if your instructor is not available, bend over backwards to insure that you have made full acknowledgments. Failure to document papers properly is plagiarism and an Honor Council offense. Students should consult library staff for further information on correct documentation and plagiarism. Staff are available for assistance via the information desk at Gramley Library, the library website at ask.library.salem.edu and/or by email at library@salem.edu

ABSENCE POLICY

Students are expected to attend classes regularly and promptly. The individual faculty member has the right to establish attendance regulations for her or his classes, and has the responsibility to inform students of these regulations at the beginning of each term. Students assume responsibility for class attendance by meeting the standards set by their instructors and are also responsible for discussing with faculty members any extenuating circumstances that affect their attendance. If a student is absent from class, it is her responsibility to meet with her faculty members, who will determine whether or not the absence is excused and how missing work will be handled.

Authority for granting excused absences or extensions for missed class time or an assignment rests with each individual faculty member. Faculty may request that students provide written verification of health or counseling appointments, but this information serves as notification/verification only. In the event of a family emergency or an extended illness that results in absence from more than two class sessions, students may contact the dean of undergraduate studies, who will provide information regarding the absences to the appropriate faculty. The Office of the Dean of the College does not excuse absences. In the
same way, the Health Center does not write excuses for missing class due to illness.

DROP/ADD POLICY

A student may drop a course during the first week of classes by submitting a signed change of registration card to the Office of the Registrar. After the first week and through the ninth week, a student will receive a Withdrawal (W) noted on her transcript if she drops the course. After the ninth week of the term, students may no longer drop courses. A student may add another course during the first complete week of classes only. Deadlines are posted online at the start of each term. Deadlines for January and summer terms, and for half-term courses in the fall or spring term, are posted prior to the start of the given term.

No schedules are mailed. Schedules are posted online through PowerCampus Self-Service System (PCSS).

After registering for a course, a student is responsible for payment unless she drops the course before the published deadline. Students are responsible for monitoring their course registration on the Student Information System to be sure they are enrolled in the appropriate classes.

WITHDRAWAL Students who wish to withdraw from the College are required to meet with the appropriate dean (traditional students meet with the dean of undergraduate studies; Fleer students meet with the dean of the Fleer Center) and complete a written form. If the student withdraws from the College, her grades in those courses are governed by the deadlines referenced in the Add/Drop Policy above. Fleer Center students who do not wish to withdraw from the College, but who choose not to register for a given term after completing one or more regular terms, are considered “step out” students, and are not required to re-apply for admission.

A residential student who withdraws from the College must leave the College within twenty-four hours of notification. The dean of the College must approve any exceptions.

Medical Withdrawal

Students who are granted medical withdrawal must withdraw from all classes. The student will receive a grade of W in all classes. Grades of W do not affect the student’s grade point average.

Students who must withdraw from the College for health or family medical emergencies may request a medical withdrawal from the College at any point during the term, including the exam period. In order for a request for medical withdrawal to be considered, the student must:

• submit the request in writing to the dean of undergraduate studies during the semester in which the health or family medical emergency occurred;
• submit medical documentation sufficient to support the need to withdraw the student from all classes;
• (if the student is receiving financial aid) consult with the financial aid office, and then
acknowledge and agree to the impact of the withdrawal on the student’s satisfactory academic progress, financial aid eligibility, and financial obligations to the College. Once the letter and documentation have been received, and the student has acknowledged receipt of the financial aid office’s review of her situation, the associate dean will provide an answer in no less than five business days.

In order to be readmitted, a student who has been medically withdrawn must submit a doctor’s statement that she is cleared to return to classes.

**Unofficial Withdrawal**

A student who leaves the College or stops attending courses without officially withdrawing will be administratively withdrawn and will receive a grade of WF (or NC, for courses graded P/NC) for those courses. The student will be financially responsible for the payment of all tuition and fees and will be responsible for the repayment of federal financial aid, if applicable. The student who stops attending and who receives all WF’s for a regular semester has fourteen days from the last date of the term to apply for a medical withdrawal and provide supporting documentation. After fourteen days, the grades of WF will stand, even if the student presents documentation of a medical issue that caused the unofficial withdrawal. Grades of WF are considered, as Fs where satisfactory academic progress is concerned and will calculate in the student’s GPA as such.

**Administrative Withdrawal**

The College reserves the right to require, at any time, the withdrawal of a student who does not maintain the required standards of scholarship, whose presence tends to lower the standard of conduct of the student body, or who in the judgment of the College physician, director of counseling services, dean of students, or dean of the Fleer Center for Adult Education, could not remain without danger to her own health and safety or to the health and safety of others.

The College reserves the right to discipline, suspend, or expel a student for conduct not in accord with the spirit of Salem College. Students who wish to appeal an administrative withdrawal must do so in writing to the vice president for academic and student affairs and dean of the College within twenty-four hours of notification. A **student who has been administratively withdrawn must leave campus immediately. The dean of the College must approve any exceptions.**

**Leave of Absence**

A traditional student who wishes to have a leave of absence for personal reasons or for study abroad must meet with the dean of undergraduate studies and fill out the proper form. A leave of absence may be granted for a period of up to one year. If the student does not return by the end of that period, the leave will be converted to a withdrawal, and the student will have to apply for readmission in order to re-enroll at Salem.
Readmission after withdrawal

A student who withdraws during the term for other than documented health or family emergency reasons will be required to apply for readmission if she wishes to re-enroll for a subsequent term. If the withdrawal was for health reasons, a doctor’s statement may be required in order to support the student’s request to be readmitted at that time.

TRADITIONAL STUDENTS WHO DO NOT GRADUATE IN FOUR YEARS

Salem College does not provide institutional aid and does not guarantee housing for traditional students after the fourth year of enrollment (eight semesters of full-time enrollment). A traditional student who has not completed her coursework after eight regular semesters will be charged tuition at the Fleer student rate, may apply for forms of financial aid available to Fleer students, and may apply for on-campus housing, pending availability, to the Office of the Dean of Students.

EXAMINATIONS

The final week of the fall term and of the spring term is set aside for term examinations, taken in accordance with the regulations of the faculty and the Committee on Self-Scheduled Examinations. The self-scheduled exam system, managed by the students, operates in accordance with the Honor Code. Students decide, and are not required to tell a faculty member, what exams they will take at any given exam period during the exam week. Students must not discuss finished exams. Exams are picked up at any time during a given three-hour exam period, are taken in Bryant Hall, and are returned at the end of the period. The Honor Council handles infractions of the examination procedures. Sanctions may range from a warning to expulsion.

Student Disability Support and Accommodation Requests Policy

Salem is committed to complying with all laws protecting qualified students with disabilities to provide them with access to academic, social, and recreational activities and programs at Salem.

Students in need of academic disability support services should initiate a meeting with the Director of Academic Support and Disability Services and/or Dean of Undergraduate Studies to discuss accommodation requests in a time frame that allows for the arrangement of accommodations. Students in need of social or recreational disability support services such as housing or dining accommodations should contact the Office of the Dean of Students to discuss accommodation requests in a timely manner.

Students must provide the applicable Salem official or office identified in this policy with documentation of a disability and the need for accommodation. Appropriate documentation must be current, from a licensed treating professional, and include a description of the disability and the manner in which it affects the student in the post-secondary education setting, testing results related to the disability (as applicable), and the accommodations recommended by the licensed treating professional. When the student presents appropriate documentation, the applicable Salem official or office will work with the student to make reasonable accommodations within the confines of any applicable College programs or
activities. Depending upon the circumstances, reasonable accommodations may include adjustments such as requests for extensions of time to complete certain assignments; access to lecture notes (when available); requests for a separate testing area; or extended time limits on tests. Salem may request additional information to verify the disability and to make a decision regarding accommodations. Salem reserves the right to determine the appropriateness of submitted documentation and requests for accommodation on a case-by-case basis. The provision of reasonable accommodations for students with disabilities requires collaboration among students, faculty, and staff as applicable.

For pregnant students needing accommodation due to pregnancy or childbirth, the Title IX Coordinator serves as an additional resource for students (see Pregnant Students – Title IX and Americans with Disabilities Act Policy).

Interested applicants who have questions about disability accommodations should contact the Director of Academic Support and Disability Services or Dean of Undergraduate Studies (academic program-related accommodations) or the Office of the Dean of Studies (housing, dining, or other social/recreational-related accommodations) so that adequate preparations can be made to facilitate attendance and participation in College programs and activities as needed.

Revised August 7, 2018

*Note to Student Affairs:* This policy (with minor differences related to faculty obligations) is also contained in the Faculty Guide. To the extent that Student Affairs makes updates to this policy, Student Affairs will need to confer with the faculty parliamentarian charged with updating the Faculty Guide to ensure consistency between this policy in the Student Handbook and the Faculty Guide.

TRANSCRIPT REQUESTS

A fee applies for each copy of the transcript and must be paid in advance of the release of each transcript. NOTE: Transcripts cannot be released if students are indebted to the College or if any other holds (including, but not limited to, library fees, unreturned athletic equipment, or immunization records) are on the student’s record. Requests for transcripts may be made online at www.salem.edu/transcripts. Detailed information can be found at www.salem.edu/transcripts.

FEDERAL REGULATIONS

CAMPUS SECURITY ACT OF 1990

The Clery Act (Campus Security Act of 1990) dictates that students have a right to know about public crime committed on college campuses. In accordance with this act, Salem College publishes and distributes an annual Campus Security Report by October 1 of each year. The intent of the act is to inform prospective students and prospective employees about campus crime and to provide timely notice to the campus community about crimes that are considered to pose a threat to safety. The Office of Public Safety is required to maintain a public log of all reported crimes and submit their crime statistics to the US
Department of Education.
Salem College’s annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings owned or controlled by Salem College, and on public property within, or immediately adjacent to or accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. Students may obtain a copy of this report by contacting Public Safety or via the Salem College website.

AMERICANS WITH DISABILITIES ACT (ADA)

In accordance with the Americans with Disabilities Act (ADA), Salem College seeks to provide reasonable accommodations for individuals with documented disabilities. Students should contact the director of academic support and disability services for assistance.

STUDENT RECORDS (FERPA)

The Family Educational Rights and Privacy Act of 1974 (FERPA), commonly known as the Buckley Amendment, was passed and put into effect in January, 1975. The purpose of the law is to protect the College student against the wrongful use of personal information and permit the student to know what material is maintained in her educational record. The law provides that information from student educational records may be released without prior consent of the student in such instances as:

1. to either parent, if the student is a dependent of either parent according to the IRS tax code;
2. to faculty and staff of Salem College who have an educational interest in the student;
3. to officials of other schools where she seeks to enroll (transcripts);
4. to certain government agencies specified in the legislation;
5. to an accrediting agency in carrying out its function;
6. in emergency situations where the health or safety of the student or others is involved;
7. to educational surveys where individual identification is withheld;
8. in response to a properly issued judicial order or subpoena;
9. in concession with financial aid.

The law also provides that a student may request and have access to her official records and files. The registrar and placement office files excluded from student access are:

1. confidential information placed in the record before January 1, 1975;
2. medical and psychological information;
3. private notes and procedural matters retained by the maker or substitutes;
4. financial records of parents.

The student may challenge any data in her educational record that she considers inaccurate.
or misleading or in violation of the privacy or other rights of the student. The student shall file a written challenge with the dean of the College. A committee made up of the dean of the College and two members of the Academic Appeals Subcommittee, to be appointed by the dean of the College, will review and rule on any challenge. The College is permitted to make public certain “directory information,” which may include name, home, and residence hall address, home and school email addresses, photo, date and place of birth, major, cocurricular activities, dates of attendance, previous institutions attended, degree, and awards. It is Salem College’s policy not to release lists of student names and addresses or telephone numbers to outside parties with the exception of state and federal agencies or as required by law. Any student who wishes to place a further privacy hold on the release of directory information must notify the registrar in writing.

TITLE IX

See the Student sexual misconduct policy for the Title IX policies and procedures. No employee is authorized to investigate or resolve sexual misconduct complaints without the involvement of the College’s Title IX coordinator. The title IX coordinator Faculty, staff, or students with knowledge about a known or suspected incident of sexual misconduct must report the incident to the Title IX coordinator Erin Adams, assistant vice president for administration and Title IX coordinator, at (336) 721-2702 or erin.adams@salem.edu. The office is located in the Inspector’s House at the corner of Church and Academy Street to report cases of suspected sexual misconduct, sexual violence, relationship violence (dating or domestic), or stalking.

RECORDS MAINTAINED AT SALEM COLLEGE

ACADEMIC

The Office of the Registrar maintains a permanent cumulative academic record for each student, including identification information and all coursework and grades (including transfer work) applicable toward a degree at Salem College. Each student’s file contains copies of transcripts from other colleges and copies of any other documents pertinent to the student’s academic progress while at the College. As indicated in the preceding section on student records, the student and College officials with a legitimate educational interest have access to the student’s file.

Once a student graduates, a notation is made on the transcript record regarding the graduation date, the degree received, the major(s) and minor(s), the final cumulative grade point average (both Salem and overall), and any graduation honors received (College honors, Latin honors, or departmental honors).

ADA

Documentation related to the Americans with Disabilities Act (ADA) submitted by the student and records of service by the College are maintained by the director of academic support and disability services.

JUDICIAL

All records involving violations of the Honor Code, Social Responsibility, Residence Life, or other College policies will be maintained in the Office of the Dean of Students. This material is available only to the judicial body involved, the student involved, or members of the administration, as directed by the dean of students. Information regarding judicial sanctions of warning, probation, and suspension-held-in-abeyance will be destroyed when the student graduates. Information regarding judicial sanctions of suspension will remain on file for two years after the student graduates. Information regarding judicial sanctions of expulsion will remain on file permanently.

COUNSELING

Counseling files that contain information (such as testing scores) are available only to counselors. This information is confidential and released only at the written request of the student and in accordance with the Privacy Act of 1974.

HEALTH

When a student enters Salem College as a new student, she submits a health information form to the Health Center. In the fall of each succeeding year, the student is requested to update the information if there have been changes in her physical condition. These forms are kept in the Health Center, and notations are added of any sickness or medical problem handled by the Health Center during each school year. The files are closed to all except the school physicians and staff. Upon a student’s graduation, medical information is kept for a period of ten years in the Health Center. Immunization records are kept indefinitely.
FINANCIAL AID

A financial aid record is maintained for each student who applies for financial assistance and enrolls at the College. This file contains the applications, supporting documentation provided by the family, and miscellaneous paperwork. A listing of any aid provided to the student is maintained electronically at Salem College. In addition, work-study supervisors are asked to complete an annual evaluation on each of their student workers, and these evaluations become a part of the student’s financial aid record. A student has the right to review all materials in her financial aid record except parental financial reports. Records may only be released with express written consent by either one of the parents listed on the tax return or by the student. All records except those concerning Perkins (NDSL) loan obligations are destroyed in accordance with federal regulations three years after the student’s last date of enrollment and/or the loan’s final payment, cancellation, or assignment.

SOCIAL RESPONSIBILITY

In keeping with the Honor Tradition at Salem College, each student is to assume full responsibility for her actions in all phases of life at Salem. This expectation extends to student participation in Salem events held on–and–off campus. Social Responsibility policies and Residence Life policies (see “Residence Life Policies” section) are designed to foster the personal integrity of students and to promote a community of mutual respect. Student behavior should demonstrate respect for oneself, respect for others, respect for authority, respect for property, and honesty and integrity. Students who anticipate or observe a violation of policy are expected to remove themselves from the situation; failure to do so may result in being charged for the policy violations for which the student was present.

SOCIAL POLICIES

I. ALCOHOL USE POLICY

Salem College strives to create a campus atmosphere in which students have a sense of responsibility for their behaviors. The consumption of alcoholic beverages is a concern of all constituents of the community (students, faculty and staff, trustees, administration, and residents of Old Salem). Students and their guests on campus are expected to comply with North Carolina State Laws concerning alcoholic beverages and with the Salem College Alcohol Use Policy. Failure to comply with North Carolina State Laws and the Salem College Alcohol Use Policy presents a safety and health risk and constitutes a serious offense that will be handled accordingly. The policy is administered by the Judicial Council in conjunction with the Office of the Dean of Students and the Faculty Advisory Board.

Any student or guest who violates North Carolina law or the Salem College alcohol policy automatically assumes personal responsibility for her actions. This may include criminal charges or prosecution from law enforcement officials.

North Carolina Law allows possession and consumption of beer, wine, ale, and other
alcoholic beverages by those people 21 and over ONLY. North Carolina State Law states that a person less than 21 years of age may not purchase, attempt to purchase, or possess alcoholic beverages, including malt beverages, fortified or unfortified wine, liquor, or mixed drinks [G.S. 18-B 302 (b)(2)]. Those underage persons who aid or abet other minors to violate the above prohibition are subject to a fine up to $500 and/or six months in jail [G.S. 18-B 302 (b)(1)]. Upon conviction of this offense, the Department of Motor Vehicles shall revoke the operator’s licenses (G.S. 20-17.3).

Persons who are over 21 years of age who aid and abet underage persons to purchase, attempt to purchase, or possess malt beverages or unfortified wine are subject to fines up to $2,000 and/or two years in jail [G.S. 18/B 302 (c)(2)].

Anyone who sells or gives any alcoholic beverages to persons under 21 violates G.S. 18-B 302 (a)(1) or (2). It is unlawful to obtain or attempt to obtain alcoholic beverages by using false or fraudulent identification [G.S. 18-B 302 (e)]. Lending one’s identification to another who would use it to purchase alcoholic beverages is also prohibited [G.S. 18-B 302 (f)]. Anyone convicted of using fraudulent identification or lending an ID to an underage person to purchase alcoholic beverages shall have their driver’s license revoked for one year [G.S. 18-B 302 (g)] and (G.S. 20-17.3).

If a person who is 19 or 20 years of age possesses, purchases, or attempts to purchase malt beverages or unfortified wine, the maximum fine is $25, and the violation is not a crime but only an “infraction” [G.S. 18-B 302 (1)].

The administration of the College reserves the right to notify the parents of a student if she has been involved in an alcohol violation.

A. Designated Drinking Areas

Consumption of alcohol by people over 21 shall be limited to areas designated by the administration. Alcoholic beverages are not allowed on any paved surface that might be used for emergency vehicle access. Approved areas are:

1. Recreation rooms in residence halls (in upper-class halls only)
2. Students’ private rooms in residence halls other than first-year halls (only in rooms where all students and guests present are 21 and older)
3. Strong Friendship Room
4. Student Center Café and patio (alcohol purchased from café, only during approved hours of service)
5. Alcoholic beverages may be allowed for special events in the following areas, if approved by the dean of students:
   a. Club Dining Hall
   b. Corrin Refectory
c. May Dell

d. Bryant Hall Complex

e. Pleasure Grounds

f. Student Center Great Room, meeting rooms, and Pauly Plaza

1. Compromising personal health and safety
2. Drinking games
3. Endangering or damaging the reputation of the College
4. Infringing upon the rights of others
5. Disrupting the life of the community (e.g., public intoxication)
6. Possessing or consuming alcohol under the age of 21
7. Possessing alcohol paraphernalia (empty bottles, corks, caps, etc.) under the age of 21
8. Aiding and abetting a minor in the consumption or possession of alcohol
9. Use of fake ID
10. Alcohol abuse

B. Violations by Organizations

If there is a violation of North Carolina Alcohol Laws or the Salem College Alcohol Policy by a sponsoring student organization or group, the violation will be reviewed by the Executive Board of the Student Government Association in conjunction with the Judicial Council. If the violation merits a sanction, then it may result in the suspension of that organization’s right to have alcoholic beverages at its events for the remainder of the academic year or longer and other sanctions as deemed appropriate.

II. SALEM COLLEGE GENERAL PARTY/EVENT PLANNING POLICY

Student Event Registration Process

All Salem College student events must be registered with the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education four weeks prior to the event by filling out an event contract form, which is available in the Office of Student Activities. The event contract form pertains to planned parties using College facilities other than students’ rooms. A planned event is a gathering of Salem students with or without alcoholic beverages.

After the event is approved by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education for placement on the institutional calendar, all clubs
and organizations must set up a time at least two weeks prior to the event to meet with the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education to plan the logistics of the event. All requests for facilities, tech requests, physical plant needs, etc., must be processed by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education upon completion of the event registration form. Only recognized clubs and organizations may register for events. Only a Salem faculty or staff member serving in an advisory capacity for student groups may submit work orders or technical requests for student events.

A. Policy for Events with Alcohol

Students or student organizations wanting to hold organized campus functions with alcohol in approved designated drinking areas must specify accordingly on the event contract form and have the event approved by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education. Alcoholic beverages may be served to students of legal age under special circumstances at the discretion of the administration, such as Commencement festivities. The purpose of the alcohol policy is to:

1. Encourage responsibility in the drinking behaviors of Salem students and their guests at organized campus events.

2. Insure proper care and use of College facilities and property.

3. Clarify North Carolina state laws concerning the consumption and possession of alcoholic beverages and enforce the Salem College Alcohol Use Policy.

B. Event Contract Conditions

Salem students must comply with the following procedures to insure responsible event planning, participation, and use of facilities:

1. All parties must conform to the Salem College Alcohol Use Policy and North Carolina state law concerning the possession and consumption of alcoholic beverages.

2. All parties must contract for the event with the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education at least four weeks in advance to insure appropriate staff and officers are available to help manage the event if necessary.

3. All parties involving alcoholic beverages must provide alternate nonalcoholic beverages and food.

4. The sponsor of the event is responsible for planning the event with the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education and making sure the General Party/Event Planning Policy and event contract procedures are followed.
5. All off-campus parties must be held at facilities reserved exclusively for Salem students and their guests, unless specified as a mixer with members of an outside organization.

6. All off-campus parties are open to Salem students and one guest, unless specified as a mixer with members of an outside organization.

7. All on-campus parties are open to Salem students and up to five of their guests, unless specified as a mixer with members of an outside organization.

8. Students will be required to sign in their guests at the door, acknowledging they accept responsibility for the behavior of their guests.

9. Use of the Salem College name or the name of a Salem College student organization to promote an event at an off-campus facility is strictly prohibited.

10. Student organizations may not co-sponsor or take a cut at the door of off-campus facilities that serve/sell alcohol.

11. State law prohibits exchange of money at any on-campus event where alcohol is present (cover charge at the door, etc.)

12. Students planning parties in their own residence halls, with or without alcohol, need to notify and get approval from their Residential Coordinator. It is recommended that a student does not have more than eight people in her room for a social gathering, and it is understood that the student is at all times responsible for the area.

13. The sponsoring group may not purchase alcohol with College funds.

C. Guests at Student Events

1. Salem students may bring guests to specific Salem events (i.e., dances) unless the event is advertised as a closed party (i.e., Fall Fest after party).

2. Salem student and guest identification is required for all parties/events.

3. Verification for Salem students must be made with a Salem College ID.

4. Verification for guests must be made with one of the IDs listed: driver’s license, passport, or military ID. Additionally, a second form of identification must be shown.

5. All Salem event guests must be at least 18 years old. Students are responsible for escorting their guest(s) at all times.

6. Salem students may bring up to five guests to on-campus parties and one guest to off-campus parties.

D. Alcohol Control at Events

1. Basic Guidelines

a. Nontransferable armbands will be used at all functions where alcohol is served.
b. After presenting a valid ID, for those 21 or over, an armband will be issued.
c. All armbands must remain intact throughout the event.
d. Any person attempting to receive alcoholic beverages must present an armband identifying them as 21 or over.
e. Students and guests may only receive one drink at a time.
f. All consumption of alcohol must be within the confines of the event. No alcohol may be taken out except when leaving an event designated BYOB. No open containers of any kind may enter or leave any event.
g. All student organizations sponsoring events with alcohol must complete a Public Safety “Request for Service” form at least two weeks prior to the event.
h. Any event with alcohol will have local law enforcement officers and Public Safety officers present, unless an exception is granted by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education and the chief of Public Safety.

2. Alcohol Control Options

Alcohol control options available to sponsoring organizations may be selected from the following and must be approved by the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education. Party sponsors must meet with the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education to complete an event contract.

a. BYOB (on- or off-campus)

i. No distilled liquor will be allowed at BYOB events, including Jell-O shots. Only beer, wine, malt beverages, and non-alcoholic beverages in 12-oz. containers or less will be allowed at BYOB events.

ii. Upon arrival, all persons age 21 and over must immediately check in their alcoholic beverages in their unopened containers. Party monitors will in turn issue them means of identification allowing them to get their alcoholic beverages during the event. Any beverages not checked in will be confiscated.

iii. Once persons age 21 and over get the remainder of their alcohol, they must leave the event immediately.

b. Off-Campus Cash Bar—Facility as Vendor (For events held at facilities where BYOB is not an option, such as the Student Center)

c. On-campus Cash Bar—Aramark as Vendor (For events held on campus where guests will be invited)

3. Acceptable forms of ID for alcohol control/age verification

For Salem students one of the following: driver’s license, passport, or military ID.
For Salem student guests one of the following: driver’s license, passport, or military ID. A college ID will not be accepted.

SUNBATHING

Sunbathing is allowed ONLY on Babcock Beach, the Gramley sun porch, and the area outside the swimming pool, as stipulated by the Department of Physical Education. Appropriate attire must be worn while sunbathing and when walking to and from these designated areas.

OPEN FIRES/GRILLING

No open fires, including grilling of any type, are allowed on campus without prior permission from the administration and acquisition of required permits. Student groups wishing to plan “cookout” type meals or bonfires should first contact the Assistant Dean of Students for Student Activities, Leadership, and Intercultural Education for assistance in coordinating the logistics for the event with the appropriate offices on campus.

SPECIAL EVENTS AND RESPECT FOR CAMPUS PROPERTY

Student organizations or classes sponsoring and participating in special events, such as Fall Fest and the Sophomore-Senior Banquet, take responsibility for assuring campus facilities and grounds utilized for events are cleaned up as swiftly as possible. Groups will be charged for any special cleaning due to insufficient clean-up. At no time should items be taken from classrooms, the Student Center, the Refectory, offices, or other campus facilities without permission.

Participants will be responsible for any disturbances or damages caused on campus or to the surrounding areas of Old Salem, and offenses will be handled by the Judicial Council or handled administratively. If no one claims responsibility for disturbances or damages, the entire group will be held responsible.

RESPONSIBILITY FOR THE ENVIRONMENT The College and the Student Government Association are concerned with behavior that affects and preserves the environment and atmosphere in which we live. The following suggestions are given to maintain this environment. Walk on the sidewalks, not on the grass. Use trash cans for trash and recycling receptacles for all recyclable materials. Paper, cardboard, aluminum, and plastic recycling containers are located throughout the campus. State environmental regulations prohibit plastic and aluminum containers in landfills.

RESIDENCE LIFE POLICIES

Residence Hall Living

All policies and regulations are based on consideration for other students living in the residential community. Infractions of Residence Life and Social Responsibility policies will be handled by the assistant dean of students and dean of students, in conjunction with the Judicial Council. See “Social Responsibility” section.
I. AIR CONDITIONERS Air conditioners are permitted in student rooms. All air conditioners must be supplied by the student. Physical Plant and Residence Life staffs are not responsible for installation or maintenance. In addition, no window units are allowed in Bahnson, Bitting or South. These halls have central air conditioning.

II. APPLIANCES

Any appliance with an open heating coil (ex. hot plate) is absolutely prohibited due to potential fire hazards. No electrical appliances such as toaster ovens, deep fat fryers, or George Foreman grills are allowed. Halogen lamps also are not permitted. Students should unplug appliances after use and should be especially careful with heat element appliances such as irons, curling irons, etc. Refrigerators that do not exceed six cubic feet and use less than four amps of power are permitted. Refrigerators must be plugged directly into the wall or be the only appliance on a heavy-duty extension cord with a surge protector. Microwaves are provided in each residence hall and are not permitted in student rooms.

III. BABYSITTING

Babysitting is prohibited in the residence halls.

IV. CANDLES/INCENSE

Candles and/or incense are not permitted in any residence hall on campus due to the fire hazard they create.

V. COLLEGE CLOSING—END OF TERM AND VACATION PERIODS

The residence halls at Salem College will remain open throughout the academic year, except for the Winter Break period. The residence halls will be open during Fall Break, Thanksgiving Break, and Spring Break; however, the Refectory will be closed. Also, no visitation will be permitted during these break periods.

The assistant dean of students will inform students of residence hall closing dates and times. At the end of the spring term, all students except graduating seniors, Resident Assistants, marshals, Honor Council, Judicial Council, and Appeal Board members must leave campus within twenty-four hours after their last exam, and not later than 10:00 am the morning following the last day of exams. All other students must leave campus by 5:00 pm on the day of Commencement. All students failing to leave by their appointed time will be assessed a $100 per day late checkout fee.

All residents must officially check out of their room prior to departure from their building. Prior to checking out, residents must remove all belongings and insure the room is in good order (swept, trash removed, original furniture in place and set up as it was at the beginning of the academic year). Specific instructions for the checkout processes will be made available to students prior to closing. During a checkout appointment, a staff member will evaluate the condition of the room, noting any damages, trash, missing items, and/or cleaning concerns. The resident will be notified of the assessment and of any possible charges or bills related to the room’s condition. Each violation will be handled as an
individual fine. Failure to properly complete a checkout will result in a $25 improper checkout charge. Students who need to enter their residence halls during Winter Break will be charged $25.

VI. DECORATIONS

Students are encouraged to decorate their rooms; however, painting of walls, ceilings, or doors is prohibited. The use of nails, scotch tape, or other materials that may damage the wall, ceiling, or floor surfaces of any room is not permitted. Students will be held responsible for any damages to the room and will be billed for the cost of repairs. For fire safety purposes, students may not have Christmas-type or string lights of any kind (including battery-operated), candles, cut live greenery, artificial greenery or trees, or extension cords. Decorations may not cover more than 20% of any wall, and residents may have only one bulletin board (no larger than 14”x20”) and Residence Life-provided door decorations on the outside of the door.

VII. EXAMS

A. Visitation

Regarding Fall semester, visitation ends at midnight before Reading Day and resumes the first day of January Term. In the case of Spring semester, visitation ends at midnight before Reading Day and will resume for seniors after the last exam period through Commencement. It will resume for underclassmen on the first day of classes the following semester.

B. Quiet Hours

Twenty-three-hour quiet hours will be in effect starting at 7:00 pm on the night before Reading Day and continuing throughout the last exam period. Noise will be permitted only during Happy Hour (9:30–10:30 pm).

VIII. FIRE SAFETY AND FIRE SAFETY EQUIPMENT

In case of a fire alarm or drill, all students must leave the building at once. Students are not permitted to re-enter the building until instructed to do so by the RC or Public Safety. Students refusing to vacate or returning before they are told to do so will be subject to disciplinary action. Any student who activates a false alarm or tampers with fire safety equipment (ex. fire extinguishers and door alarms) is placing the lives and safety of her fellow students in danger and will be subject to disciplinary action, up to and including legal action.
IX. HALLWAYS For safety reasons, all hallways must be kept clear of items at all times. If the hallways are not kept clear, visitation may be revoked, and students may be fined until the items are removed.

X. HEALTH AND SAFETY INSPECTIONS Rooms will be periodically inspected by staff members to insure that there are no fire hazards and illegal or restricted items. Any illegal or restricted items in plain view will be documented and confiscated, and appropriate judicial proceedings will be initiated.

XI. KEYS

Each student will be issued a bedroom key and an entry card upon check-in. (In some halls, other keys may be issued as well). Loss of your room key or other key issued by the College will result in a $75 fine. Loss of an entry card will result in a $15 fine. Any key issued by the College is not to be duplicated. Duplicating keys will result in disciplinary action. Any lost key or entry card should be reported immediately to the RC. For the safety of everyone living in your building, your key should never be given to anyone for their personal use. The key remains the responsibility of the person to whom it was issued.

XII. LOCKED DOORS AND LOCKOUTS

Anyone entering or leaving a residence hall entry door or combination door who purposefully unlocks the door or props the door is subject to disciplinary action. These doors are locked to insure the safety of the residents. Exceptions are made for moving in and out of the residence hall during breaks.

Any person found to be using a key or tampering with locks to access a room that has not been officially issued to them will be subject to the College judicial process. Any student who enters a room (occupied or unoccupied student room, storage room, attic, etc.) without permission to access the room from the Office of Residence Life will be subject to the College judicial process. Public Safety will unlock rooms and buildings for Salem College students twenty-four hours a day, seven days a week (not including periods when residence halls are closed). During daytime hours, students should check with their RC prior to calling Public Safety. Access will be granted if the student lives in the room and can provide proof of identification with their Salem student ID. Each time a student is “locked out,” she will be fined as follows:

Lockouts $5
Lockouts during break periods (when residence halls are closed) $25

When a Public Safety officer or RC arrives to unlock the door, they will ask for proof of identification and issue a room lockout citation. This fine is similar to a parking citation and must be paid at the Business Office.
XIII. PERSONAL BELONGINGS

Regardless of whether a student lives in on-campus housing or off campus, Salem College does not provide insurance coverage for the personal belongings of its students. This type of insurance should be arranged by the student or her family. It is a standard provision of a homeowner’s policy to provide insurance for the personal belongings of students while they are temporarily in residence away from the insured home.

In exceptional cases in which personal items are packaged and shipped to a student, the student will incur the cost. If the College determines that a student is no longer attending the College and/or has abandoned her belongings, any personal items left will be discarded.

XIV. PREGNANCY

Students who are pregnant or become pregnant during the academic year may continue living in the residence halls but are strongly encouraged to notify health services and the assistant dean of students to develop a plan of support for their pregnancy. Under no circumstance may infants live in residence hall facilities.

XV. QUIET HOURS

The quiet hours policy is in effect to provide an atmosphere in which students can sleep and study in their rooms without disturbances. Quiet hours are times when reasonable quiet noise levels must be maintained. Quiet hours are Sunday-Thursday, 10:00 pm–8:00 am; and Friday and Saturday, 1:00–10:00 am. All other hours are courtesy hours during which you must show respect for your neighbors by maintaining a reasonably quiet atmosphere. During exam periods, twenty-three-hour quiet hours are in effect, with a Happy Hour nightly from 9:30–10:30 pm.

XVI. RESIDENCE HALL/ROOM SEARCHES

Students who live in College residences are assured of the privacy of their rooms and freedom from the admission into or search of their rooms by unauthorized persons. However, the College is obligated to maintain responsible surveillance of the residential areas to promote an environment consistent with the aims of an academic community and to ensure compliance with state law, federal law, and College policies. The College reserves the right to notify outside authorities of any suspected criminal activity occurring on campus and to proceed with criminal charges in addition to campus sanctions. When room searches are deemed necessary, a reasonable attempt may be made to notify students in advance of the search so they may be present, if possible, in accordance with the procedures outlined in sections A–C.
A. Room Searches may be conducted under any of the following circumstances:

1. Consent of the occupant.

2. Exigent circumstances which include, but are not limited to, suspected criminal activity in progress, emergency situations or immediate threats to the preservation of the building, and safety of the occupant(s) and/or residential population.

3. When an outside door is found unlocked or the possibility exists of a breach in security.

4. With presentation of written or verbal authorization from the dean of students (or persons designated to act as the dean’s representative) upon reasonable suspicions of violations of residence life policy or North Carolina state law or federal laws. Authorization to search will specify the reason for the search.

5. Presentation of a search warrant by law enforcement officials.

B. Salem College values student privacy and follows specific procedures in determining whether a room should be searched for College residence life policy violations or illegal activity. Reasonable suspicion may include:

1. Detection with the senses (seeing, smelling, hearing) of what is suspected to be College residence life policy violations or illegal activity.

2. An informant reports to a residence life staff member or to Public Safety that a specific resident or residents are violating College residence life policies or engaging in illegal activity. The credibility of the claim will be determined. If possible, other sources will be used to confirm the information. The informant shall be apprised that knowingly providing false information is a violation of the Salem College Honor Code and would be pursued as such.

C. When it is reported to Public Safety that a visitor is inside a residence hall after visitation hours, Public Safety and a Residential Coordinator will do a room-to-room search. Once the visitor is located, the search will cease.

XVIX. ROOFS AND LEDGES

Under no circumstances are residents or their guests permitted on residence hall roofs or ledges of any kind. Students found violating this policy will be subject to immediate disciplinary action, which may include relocation of residence, as well as other sanctions.

XX. ROOM ASSIGNMENTS

Although every effort is made to honor specific room, roommate, and residence hall assignments and requests, space limitations and high demand for specific halls may prevent honoring all requests. All assignments are made without regard for race, color, creed, religion, national origin, military veteran status, political affiliation, or sexual orientation. The assistant dean of students reserves the right to relocate students as necessary.
XXI. ROOM CARE EXPECTATIONS

Although the College respects the privacy of individuals, the College administration reserves the right to inspect, maintain, and repair College property. When the College closes for vacation times, each residential life staff inspects the rooms in order to determine if windows are closed, lights are turned off, appliances are disconnected, and to make sure that there are no fire policy violations or safety violations. Any illegal or restricted items in plain view will be documented and confiscated, and appropriate judicial proceedings will be initiated. Students will be fined when their rooms are not left as instructed. Occasionally during the year, students will be asked to prepare their rooms for the exterminator. Specific instructions will be given to students concerning room preparation.

In order to guarantee that rooms are cleaned and protected from abuse, students are expected to adhere to the following guidelines:

1. Each student room will be evaluated when the student arrives on campus in the fall and evaluated a second time when the student leaves campus. A fee schedule for damages is listed on the room condition report that each student will sign at the time of both room evaluations.

2. When a student leaves a room, it must be in the same condition as it was when the student checked in.

3. No adhesive tape of any kind may be used on the walls.

4. No nails, thumbtacks, or pins of any size may be used on the walls or doors.

5. When two or more students share a room, the cost of damages in the room will be divided equally among the occupants of the room unless one student claims responsibility for all or part of the damages.

6. Fees for any damages should be paid to the Business Office at the time of check-out. Payment for damages will be deducted from the deposit of seniors only. In the event that a student fails to make payment and the damage exceeds the deposit, the grades and transcripts of that student will be withheld until the bill is cleared with the Business Office.

7. All walls and woodwork are painted in colors designated by the College administration. No other paint may be used, and no permanent fixtures may be added to the walls or murals painted on the walls.

8. Students are financially responsible for abuse or damage to College property.

XXII. ROOM CHANGES Room changes are not permitted during the first two weeks of classes each semester. If students experience problematic situations in their living environment, they are encouraged to contact a residence life staff member. In most cases, room changes will be approved by a Residential Coordinator once students have completed a mediation process. When students are approved to change rooms, they shall receive a key from Residence Life and must complete and submit the proper paperwork for their new
room to residence life staff.

XXIII. SINGLE ROOMS

Students who choose a single room will pay an additional $850 per semester. If a student finds herself in a single room, not by choice, she has the following options:

1. Secure her room as a single room by paying the single room fee.
2. Move in with someone else who has an empty spot in her room.
3. Keep the space open in the event that a student is placed in the room.

A student who is informed by a residence life staff member that she is getting a roommate should prepare her room for the roommate to move in. If the roommate is declined, the student will be charged $850 for the semester (for both semesters if the assignment happens in the fall) to maintain the room as a single. This charge will not be pro-rated based on the date that the roommate is assigned. Students who find themselves without a roommate during the year may be asked by a residence life staff member to move in with another student who also does not have a roommate.

XXIV. STORAGE General student storage areas are not provided in the residence halls. All College furniture must remain in the residence hall rooms and common areas. Salem College does not assume responsibility for any personal property, nor does it carry insurance to cover loss of personal property. Over the summer, all personal items must be removed. Any personal items left will be discarded.

XXV. STUDENT INJURY OR DISTRESS A student should notify a residence life staff member in cases of serious personal injury, illness, or emergency. If a student goes to the hospital, a residence life staff member should be notified as soon as possible and upon return. If a staff member cannot be contacted immediately, contact Public Safety.

XXVI. UNAUTHORIZED ENTRY

Students are not permitted to enter, store belongings, or reside in rooms that are not officially assigned to them by residence life. Any student found to be occupying an unassigned room may be charged for two residences.

XXVII. VACATION SIGN-IN

The purpose of vacation sign-in is to provide an accurate list of students who are remaining on campus over scheduled breaks in case of an emergency. All students should sign in with residence life staff when remaining on campus for a scheduled break.

XXVIII. VISITATION POLICY

The rights of a student to study or sleep outweigh the right of a roommate to have visitors and/or socialize in the room with a visitor. Cohabitation with non-roommates or patterns of extended visitation are not allowed. Cohabitation is defined as guests sleeping/staying in the room which infringes on the rights and privacy of residents in the living area. This policy
also applies to cohabitation by Salem students other than the official roommate.

1. Bahnsen House, Bitting Hall, Gramley Hall, South Hall, and Strong House all have twenty-four-hour visitation privileges, seven days a week.

2. Babcock Hall and Clewell Hall have twenty-four-hour visitation privileges on weekends only. Visitation for Babcock Hall and Clewell Hall is as follows:
   Monday–Thursday: Noon to midnight
   Friday–Sunday: Visitation begins at noon on Friday and ends at midnight on Sunday.

3. For the safety and security of all residents, guests must be signed in and out by their hostesses at the central location provided in all residence halls. This policy includes all non-residential students and all guests—regardless of gender and age. Guests can only be signed in to a residence hall by a resident of that particular hall. Guests must carry identification at all times. The RC should be made aware of overnight guests so that they may be located in the event of an emergency.

4. Salem students must escort their guests at all times.

5. Guests are allowed in the lobbies of residence halls from 10:00 am–2:00 am, seven days a week.

6. Guests may be entertained in rooms and lounges only, not in stairways or halls. Guests may be entertained in the Student Center during posted hours of operation, provided they are accompanied by a Salem student.

7. All guests are limited to a maximum three-day stay on campus per seven-day week. If a student wishes to entertain a guest more than three consecutive nights per each seven-day week, she must get permission from the assistant dean of students and written consent from her roommate or suitmates.

8. Students must register their guests with Public Safety for a temporary parking sticker.

9. Students may not give guests entry cards, keys, or the door combination or leave their room unlocked to provide guest access.

10. Hostesses are responsible for their guest’s behavior and will be subject to disciplinary action if their guest violates a residence life or College regulation. In cases where a guest is causing a disturbance, the student may have her visitation rights limited or restricted completely.

11. During break periods, visitation is not allowed.

12. Visitation for an entire residence hall can be suspended for the following reasons:
   a. Any single violation of regulations that can be shown to have jeopardized the security of any Salem student.
   b. Any pattern of violations of regulations that can be shown to have interfered with the privacy of others or with the rights of the minority to be protected from the practice of the
majority vote.
c. Any pattern of failure to report infractions of rules or any behavior in connection with
the policy that threatens to bring
discredit upon Salem College.
13. Repeat violators of the Visitation Policy will be sent before the Judicial Council.
14. Each Salem student is responsible for letting Public Safety and the RC know when any
unescorted guest is present in the halls or a student’s room at any time.
15. No guests under the age of eight will be permitted to stay overnight in the residence
halls.

PUBLIC SAFETY

The Public Safety Department’s fundamental duty is to serve the Salem community and
provide a safe educational and work environment. The department strives to achieve this
goal through proactive patrol, investigation of incidents, victim assistance, and educational
programs. Officers provide campus coverage twenty-four hours a day, seven days a week,
and 365 days a year. The office is located on the ground level behind Main Hall.
Public Safety officers respond to calls for service including when the safety of any student,
faculty, staff, or visitor has been or could be threatened. If officers need additional support,
they request assistance from professional staff, the Winston-Salem Police Department, the
Winston-Salem Fire Department, and Forsyth County Emergency Medical Services.
The department is staffed with eleven employees, including a chief of Public Safety. Public
Safety promotes safety and educational programming for the benefit of the Salem
community.
Public Safety maintains written reports, parking conduct rules and regulations, parking
appeals and vehicle registration, and identification cards.

Read this information carefully.

If you have any questions, please call the Public Safety Department at (336) 917-5555
or x5555 on campus.

EMERGENCY CONTACTS

Anyone experiencing an emergency situation on campus should contact Public Safety
immediately (336) 917-5555). If the Public Safety officer determines professional staff,
Emergency Services (EMS), the Winston-Salem Police Department, and/or the Winston-
Salem Fire Department need to be contacted, the Public Safety officer will obtain assistance.

REPORTING CRIMINAL ACTIVITY

Campus safety is a community effort at Salem. Students and guests are strongly
encouraged to report suspicious incidents and any criminal activity they become aware of
as soon as possible. Students may report suspected criminal activity on campus by:
• Going to the Office of Public Safety, located in the lower level of Main Hall
• Calling the Office of Public Safety at (336) 917-5555
• Emailing publicsafety@salem.edu
• Utilizing the link on the Public Safety website for confidential reporting. Confidential reporting is for non-emergency incidents.
• Calling the confidential reporting line at (336) 917-5550. Confidential reporting is for non-emergency incidents.

ESCORTS
Public Safety offers escorts to all students. Escorts are performed on foot and occasionally by golf cart. Escorts are provided for any student who is concerned for her safety when walking alone on campus, especially at night. Officers will escort students who are sick and unable to walk to the Health Center. Escorts are not provided for transportation of personal items. Students requesting an escort must call (336) 917-5555 and advise the officer who they are, where they are located, and the location to which they would like to be walked. Students are encouraged to wait inside a building until a Public Safety officer arrives. Students waiting in vehicles are asked to leave their parking lights on to signal the responding officer.

LOCK-OUTS
Public Safety is available to assist any student, faculty, or staff member who may become locked out of a facility to which they would reasonably have access. Identification is required for access to all facilities. Access will not be granted to individuals not assigned to a particular room. See Lock-Out Policy in Residence Life Policies section for information on residence hall lock-out fines.

FIRE DRILLS/ALARMS
Each residence hall is expected to pass a fire drill each semester. The Public Safety Department and Residential Coordinator schedule the drill in compliance with all applicable fire code regulations. A time is chosen when the majority of residents will be in the building. Each building has three minutes to successfully complete the drill. If the drill is not successful, another drill will be attempted. The fire drills will continue unannounced until successfully completed. Ensuring the safety of students is the goal.

MANDATORY SAFETY MEETINGS
Each residence hall resident is expected to attend a safety meeting at the beginning of each semester. Meetings are designed to discuss issues and concerns students may have and such issues as sexual assault, domestic violence, personal safety, alcohol, and illegal drug use.
LOST AND FOUND

Lost and found items are maintained in the Office of Public Safety. The items turned into lost and found will be disposed of every three months. These items will be either donated or destroyed.

COLLEGE IDENTIFICATION CARDS

Hours for the ID process will be posted at the Office of Public Safety. Students do not need to call and schedule a time for an ID. Students must bring a driver’s license or some other form of picture ID before a college ID will be made. Without these forms of ID, students will not receive a Salem College identification card. The fee for a replacement card is $15. The $15 fee can be waived if the ID card has been stolen, and a law enforcement report number has been provided.

PARKING CONDUCT RULES AND REGULATIONS Salem College determines and enforces parking conduct rules and regulations. These regulations are designed to promote safety on and around campus; provide adequate parking for all students, faculty, staff, and visitors; and address parking needs of Old Salem residents and visitors, Home Moravian Church, and the Salem Congregation.

Salem College parking, traffic, and safety regulations are rules of conduct issued and enforced by Public Safety. Salem’s regulations are separate and apart from any North Carolina state laws or Winston-Salem city ordinances, which are enforced by state or city law enforcement agencies. If a violation of a Salem regulation also constitutes a violation of a city ordinance or state law, a student may be subject to a fine by Salem in addition to any penalty assessed by the city or state.

The following parking conduct rules and regulations shall apply to all students, guests, and visitors. These parking conduct rules and regulations are in place and enforced twenty-four hours a day, including breaks, Commencement, and holidays. Students will be notified of the violation and fine through campus mail, the US Postal Service, or by placing the notification on the vehicle.

VEHICLE REGISTRATION

Vehicle registration is required immediately upon arrival on campus. Students should register and pay by using the vehicle registration link located on the Salem College website. Vehicle registration is NOT complete until a sticker is displayed on the rear of the vehicle. (Convertibles may place the sticker on the front lower right of the windshield.) The sticker should be placed on the left side (driver’s side) of the rear bumper or the lower left side of the rear windshield. If any vehicle other than the originally registered vehicle is brought to campus, a temporary parking permit must be obtained immediately upon arriving on campus to avoid receiving a Failure to Register fine. In such a case, a temporary registration can be obtained by visiting the Public Safety office.

Student vehicle registration fee: $100
Failure to register your vehicle may result in a $25 fine every forty-eight hours until the vehicle is registered.

BICYCLE AND MOTOR SCOOTER RULES AND REGULATIONS

Salem College encourages registration of bicycles and scooters. There is no charge for registering. Registration forms are available on the Public Safety webpage.

Bicycles should be placed in a bicycle rack. Racks are located behind Babcock Residence Hall, underneath the back porch of Main Hall, and at the Elberson Fine Arts Center parking lot. Bicycles should not be parked on sidewalks or under stairwells. Students riding motor scooters should follow the parking conduct rules and regulations.

PARKING FOR VISITORS AND GUESTS OF STUDENTS

Each student is responsible for the conduct of her guests, including parking conduct rules and regulations. If a guest or visitor violates any parking conduct rules or regulations, the student hostess will be fined for the violation committed by the guest or visitor.

Any visitor who drives to campus must register his/her vehicle with the Public Safety department immediately upon arriving to campus. They will be issued a temporary parking pass and must follow the parking conduct rules and regulations.

TOWING POLICY

Salem College has the authority to tow, at the owner’s expense, any vehicle on campus that is in violation of the parking conduct rules and regulations.

VEHICLE SEARCHES

Upon suspicion of violation of College policy or local, state, or federal law, Public Safety reserves the right to search vehicles parked on campus property for evidence inside the vehicle.

RESIDENTIAL STUDENT PARKING CONDUCT RULES AND REGULATIONS

The Elberson Fine Arts Center parking lot and “The Pit” parking area, which is located near the tennis courts at the rear of the campus, are the only areas where students are permitted to park while school is in session. Residential students are assigned to the EFAC, tennis courts, or Pit parking. Seniors are allowed to park in EFAC, tennis courts, or Pit parking, while all other residential students are assigned to tennis courts or Pit parking. Students who are not assigned to EFAC parking but park in the EFAC lot will be fined. Residential students are not allowed to park in the following areas:

1. Fire Lanes ($50 fine): The brick roadway that goes through the center of campus (starting between Single Sisters House and South Residence Hall and traveling past Corrin Refectory) is a fire lane. Any student parking on either side of this roadway is subject to being fined. Any student parking in any fire lane, including in the Historic District, is subject to being fined.

Front campus/Historic District consists of the following streets: Church Street, Blum Street, West Street, Academy Street, Walnut Street, Race Street, and Main Street.

5. Institutional Parking ($15): This area is located behind Corrin Refectory and behind the pool and gymnasium areas.

6. Handicapped Parking ($250): These areas are very limited; therefore, any student needing special permission to use handicap spaces must bring documentation from a doctor or a member of the administration before Public Safety will temporarily grant permission to use the parking spaces.

7. Loading Zones and Maintenance Hill ($15): At no time are students allowed to park in these areas.

8. Health Center/Medical Staff Parking ($50): During the hours of 7:30 am–4:30 pm, Monday through Friday, students are prohibited from parking in the Health Services medical parking in front of Lehman Hall.

They also are subject to North Carolina state laws and Winston-Salem city ordinances. Fleer and other off-campus students are permitted to park in the Inspectors House and Shober House lots on weekends and after 5:30 pm, Monday–Friday.

that the student is unloading (clothes or other belongings inside the car), the officer may
permit the student to remain there for what the officer deems is a briefly sufficient amount
of time. It will assist the officer to know that a student is loading or unloading if the car’s
